

Welcome to Hilliard's Bay Provincial Park

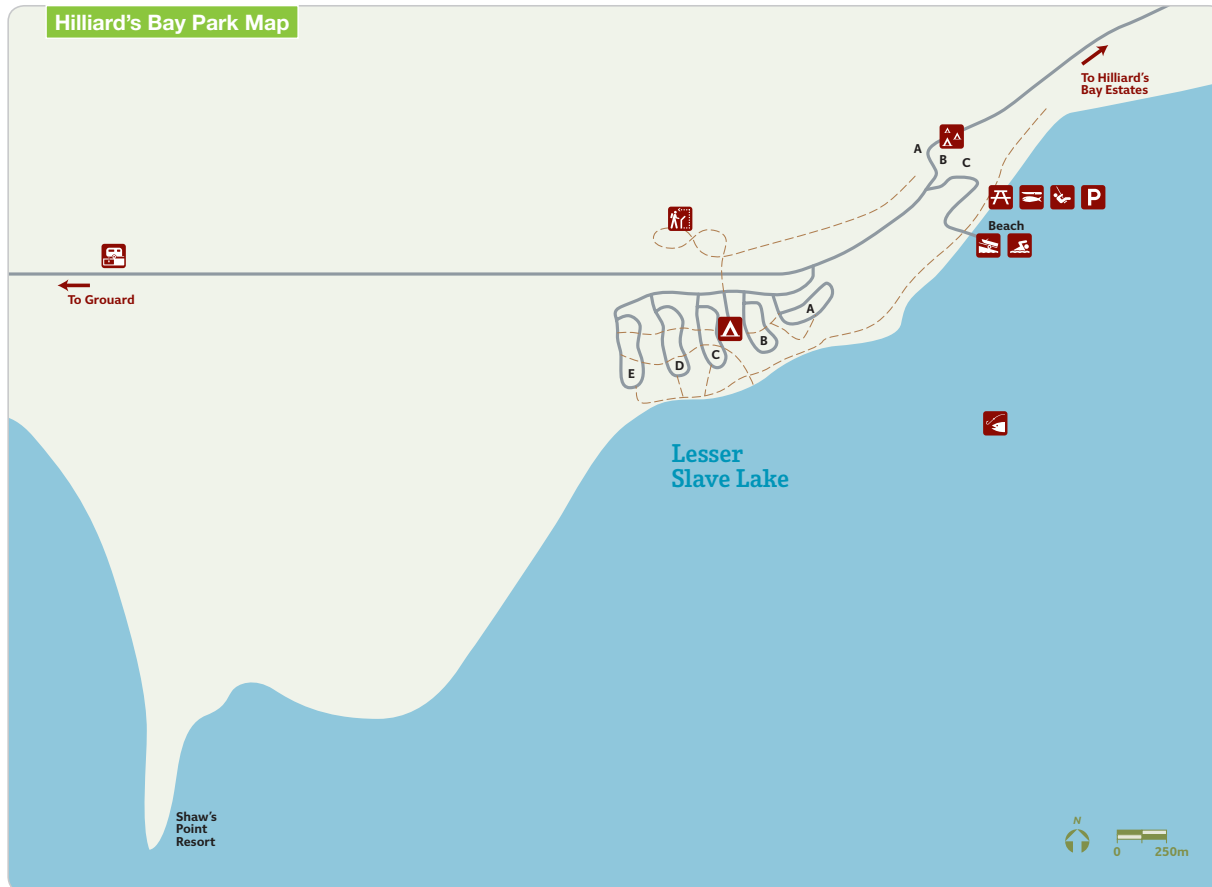

We hope you enjoy your stay at this great family park. You can fish, hike, bird watch and play at the beach.

The park has a large sandy beach and swim area, picnic and group use areas, walking trails, boat launch and fish cleaning stands. For your comfort, hot showers and power sites (30A) are available in addition to basic camping facilities.

Reserve group camping areas for your next family get-together.

Please be good neighbours and help keep the park safe and clean for everyone to enjoy.

Hilliard's Bay Provincial Park is in bear country. Visitors should take the necessary precautions, such as securing food in the trunk of a vehicle and disposing of garbage in the bear-proof receptacles. For information about bear safety, ask park staff or get a copy of our Bear Smart brochure.
