AADL Authorizer/Specialty Assessor Contact Information - Alberta Blue Cross Registration

Alberta Aids to Daily Living (AADL) is preparing to transition medical surgical and non-recycle equipment benefits to the Alberta Blue Cross Online Health Portal in June 2021. If you are an AADL authorizer or specialty assessor of any of the benefits listed below, it is important we have your current contact information.

- Medical Surgical Benefits
 - Briefs, Diapers and Liners
 - Catheter supplies
 - Ostomy supplies
 - Injection supplies
- Burn Garments
- Compression Garments (custom and ready made)
- Back and Abdominal/Inguinal Hernia Supports

To pre-register your authorizer/assessor account with Alberta Blue Cross, we need to ensure your contact information is correct. If this information is incorrect, you will need to complete the full registration process. This means your access to authorize AADL benefits may be delayed which will delay your ability to authorize AADL benefits.

Please complete a short survey here: <https://extranet.gov.ab.ca/opinio6//s?s=52634> by March 31, 2021 to ensure AADL has your most current work contact information. If you have already received an email or a telephone call to update this information you do not need to respond again.
