THE MINISTRY

The ministry consists of the following for budget purposes: the Department of Advanced Education and Technology, the Access to the Future Fund and the Alberta Enterprise Corporation. Other entities reporting to the Minister of Advanced Education and Technology include public post-secondary institutions and the Alberta Innovates corporations.

The following councils, boards and authorities provide advice to the minister: the Alberta Council on Admissions and Transfer, the Alberta Apprenticeship and Industry Training Board, the Campus Alberta Quality Council, the Students Finance Board, the Access Advisory Council and the Alberta Research and Innovation Authority.

Advanced Education and Technology's mission is to lead the development of a knowledge-driven future through a dynamic and integrated advanced learning and innovation system. Its core businesses are to:

- provide strategic leadership for Campus Alberta and Alberta Innovates; and
- engage learners, industry and the community in learning opportunities.

This business plan is aligned with the government's five goals and supports the government's core businesses as set out in the *Government of Alberta Strategic Plan*.

GOALS, PRIORITY INITIATIVES AND PERFORMANCE MEASURES

As a result of the ministry's review of its goals, environment, opportunities and challenges, a number of priority initiatives have been identified.

Goal One: A globally recognized, quality advanced learning system that meets the needs of Alberta

Priority Initiatives:

- 1.1 Collaborate with advanced learning system stakeholders to develop Campus Alberta outcomes, strategies and benchmarks to strategically position the system for long-term success.
- 1.2 Through Campus Alberta Administration, facilitate multi-institution initiatives that enhance information technology efficiencies, position Alberta's advanced learning system globally and promote further collaboration across Campus Alberta.
- 1.3 Implement strategies that align quality assurance, program approval and accountability mechanisms to promote excellence, innovation and sustainability within Campus Alberta.

- 1.4 Support community adult learning providers and comprehensive community institutions in developing stronger links to their communities through regional partnerships.
- 1.5 Collaborate with the Alberta Apprenticeship and Industry Training Board to develop strategies to increase the supply of skilled tradespeople in Alberta.

Performance Measures	Last Actual (year)	Target 2011-12	Target 2012-13	Target 2013-14

Goal Two: Excellence in research, innovation and commercialization drives Alberta's future success

Priority Initiatives:

- 2.1 Lead the development and implementation of global outreach initiatives to promote Alberta as a world-class destination for collaboration in research, innovation and commercialization.
- 2.2 Establish a client oriented culture across the research and innovation system by implementing the Alberta Innovates Connector Service and facilitating system wide networks.
- 2.3 Collaborate with the Alberta Innovates system, industry and other government organizations to identify new economic opportunities and to commercialize innovative technologies.
- 2.4 Implement a planning and reporting framework to facilitate coordination and alignment between Alberta Innovates corporations, Campus Alberta partners and key Government of Alberta ministries.
- 2.5 Develop and implement policies, programs and processes in collaboration with the Alberta Innovates corporations and Alberta's post-secondary institutions to enhance Alberta's business environment for innovation, the exchange of ideas and technology commercialization in the energy and environment, health and bio sectors.

Performance Measures	Last Actual (year)	Target 2011-12	Target 2012-13	Target 2013-14

2.c Percentage of Canadian venture capital invested in Alberta ¹	7.0% (2009)	5.0%	5.5%	6.5%

Note:

1 The 2009 result of 7 per cent was unusually high, therefore targets have been set below the last actual. For more information see the Advanced Education and Technology 2009-10 Annual Report.

Goal Three: A learner-centered, affordable advanced learning system accessible to Albertans

Priority Initiatives:

- 3.1 Enhance learner mobility into and throughout the advanced learning system by strengthening the links between learning providers and establishing a transfer credit system focused on learning outcomes.
- 3.2 Modernize the student funding program to better respond to current learner needs and diverse learning pathways.
- 3.3 Strengthen Aboriginal learner support programs and services through Campus Alberta Administration and in partnership with key federal, provincial and community stakeholders.
- 3.4 Align and coordinate education, training and learner support programs and services with the Ministry of Employment and Immigration to improve efficiencies and promote successful learner outcomes.
- 3.5 Work with the Ministry of Education to implement and align policies and programs to create a seamless learning system that enhances learner pathways and lifelong learning.

Performance Measures	Last Actual (year)	Target 2011-12	Target 2012-13	Target 2013-14
3.a Proportion of Albertans aged 18-34 participating in post-secondary education	17% (2009)	18%	19%	20%
