Grievance Mediation Program

Mediation Services is pleased to introduce a new program to assist unions and employers to resolve grievances. The program includes a roster of grievance mediators who are dispute resolution practitioners from the labour relations community that are available to assist parties involved in grievances. We have also created an online Practitioner's Portal where you can see the availability and contact information of grievance mediators.

Why Choose Grievance Mediation?

Mediation is a proven method of problem solving. Other labour relations jurisdictions in Canada that use grievance mediation quote very high success rates. Grievance arbitration, while resulting in a binding outcome, is costly, often involving long delays for hearings and the issuing of awards. Grievance mediation is not a replacement for arbitration but an early intervention opportunity that is cost effective, timely and informal. The parties are always in control of the outcome.

Are you Interested?

For further information regarding the program please visit our website at: https://www.alberta.ca/labour-relations-grievance-mediation.aspx

To find contact information and availability for a grievance mediator visit the Mediation Services Portal at:

*It should be noted that you will also find online calendar availability for many of our Designated Mediator Roster and Grievance Arbitration Roster practitioners on the Portal.
