Late Review Request

Before requesting a late review, please read the following information and the **SafeRoads Alberta Terms and Conditions**.

Who can request a late review

If you did not apply for a review within 7 days of the date of issuance of your Notice of Administrative Penalty or Seizure Notice or failed to participate in your review as per Section 19 of the [Provincial Administrative Penalties Act](#), you can submit a request for a late review up to 12 months from the date of issuance.

A request for a late review is limited to the grounds listed in section 10 of the [Provincial Administrative Penalties Regulation](#).

The Director can only accept a late review where the recipient meets the criteria set out in:

- a. Section 20(2)(a) of the *Provincial Administrative Penalties Act* and establishes a prescribed exceptional circumstance in section 10(2) of the Provincial Administrative Penalties Regulation; or
- b. Section 20(2)(b) of *Provincial Administrative Penalties Act* and establishes a prescribed exceptional circumstance in section 10(3) of the Provincial Administrative Penalties Regulation.

Depending on which ground you qualify under, some or all of the following grounds may apply:

- Where the recipient was unaware of the Notice of Administrative Penalty or Seizure Notice, if on becoming aware of it the recipient took prompt action to notify the Director.
- Where the recipient experienced physical or mental incapacity rendering the recipient unable to respond to the Notice of Administrative Penalty or Seizure Notice within 7 days of the issuance of the Notice, if on regaining capacity the recipient took prompt action to notify the Director.
- Where the recipient experienced unforeseen and unavoidable events rendering the recipient unable to respond to the Notice of Administrative Penalty or Seizure Notice within 7 days of the issuance of the Notice, if the recipient took prompt action to notify the Director.
