| Congratulatory Messages for Seniors     | 75 |

| Quick Reference List                    | 77 |
As the Minister of Alberta Seniors and Community Supports, I am pleased to provide you with the 2005/2006 edition of the Seniors Programs and Services Information Guide—a detailed, easy-to-read source of information for seniors in Alberta.

As we celebrate our provincial centennial in 2005, the contributions of seniors can be seen across Alberta. Many of today’s seniors taught in Alberta’s early schools, formed the first businesses, built our roads and established our communities. Through their hard work—past and present—seniors have given so much to make Alberta a great place to live.

Over the past decade, Alberta has created some of the most generous seniors programs in the country. Our benefits focus on those seniors who need assistance the most, and at the same time, we offer some programs to all Albertans over 65.

We also work to provide seniors with information on the programs and services available to them. Publications like this information guide, the toll-free Seniors Information Line and the ministry’s website are great tools to learn more about the many resources for older Albertans.

I hope this guide includes the information you and many other seniors need to fully enjoy the quality of life you have helped create in Alberta.

Yvonne Fritz
Minister
Alberta Seniors and Community Supports
PROVINCIAL GOVERNMENT PROGRAMS

The following programs are offered by Alberta Seniors and Community Supports.

new! Dental Assistance for Seniors
The Dental Assistance for Seniors program pays for up to $5,000 of basic dental work every five years.

To qualify, you must:
• be 65 years of age or older
• live in Alberta for at least three months before applying
• be a Canadian citizen, or admitted to Canada for permanent residence (landed immigrant)

The amount of coverage you will receive is based on income. Most single seniors with a total annual income less than $30,310 will qualify for this program. Most senior couples with a total combined annual income less than $60,620 will also qualify.

new! Optical Assistance for Seniors
The Optical Assistance for Seniors program reimburses seniors up to $230 every three years for prescription eyeglasses.

To qualify, you must:
• be 65 years of age or older
• live in Alberta for at least three months before applying
• be a Canadian citizen, or admitted to Canada for permanent residence (landed immigrant)

The amount of coverage you will receive is based on income. Most single seniors with a total annual income less than $30,310 will qualify for this program. Most senior couples with a total combined annual income less than $60,620 will also qualify.

continued next page...
Seniors who have previously applied for the Alberta Seniors Benefit or Dental Assistance for Seniors programs are automatically enrolled in this program and only need to provide a photocopy of a valid optical receipt to be considered for benefits. This receipt can be mailed to the address at the bottom of this page. Please ensure your Personal Health Number and name are clearly shown on the receipt. All other seniors will need to apply for the Optical Assistance for Seniors Program to determine eligibility.

**new! Education Property Tax Assistance for Seniors**
The Education Property Tax Assistance for Seniors program provides an annual rebate to senior homeowners to cover the year-to-year increase in the education portion of their property taxes.

If a senior was 65 in 2005 or earlier, the program will provide an annual rebate per household to cover increases in the education portion of their property taxes using the 2004 education tax amount as the baseline. For people who will turn 65 after 2005, the program will use the year before they turned 65 as their baseline.

To qualify, you must:
- be 65 years of age or older
- be an Alberta resident
- own a residential property in Alberta
- have had an increase in the education portion of your property taxes

**Applying**
If you have already applied to the Alberta Seniors Benefit program as a homeowner, and you live in one of the areas below, you are automatically enrolled in the program. You do not need to apply and you will receive a rebate automatically.
- Edmonton
- Calgary
- Lethbridge
- Medicine Hat
- St. Albert
- Red Deer
- Camrose
- Beaumont

If you live elsewhere in the province and have applied to the Alberta Seniors Benefit program as a homeowner, you do not need to apply. Rebates are mailed in the summer after the property tax notices have been issued.

If you have not applied to the Alberta Seniors Benefit program, you need to apply.

Alberta Seniors Benefit (ASB)
The Alberta Seniors Benefit program is based on income and provides a monthly cash benefit to eligible seniors. To be considered for the program, you must complete an application form.

General Eligibility Requirements
To be eligible for the ASB you must:
• be 65 years of age or older
• be an Alberta resident for at least three months immediately before applying
• be a Canadian citizen, or have been admitted into Canada for permanent residence (landed or sponsored immigrants)
• have income within the limits allowed by the program

Cash Benefit
The annual cash benefit is determined by four factors:
• the type of accommodation you live in
• your marital/cohabitation status
• your income (combined with the income of your spouse/adult interdependent partner)
• whether you are eligible for the federal Old Age Security pension

It is important that you notify the program whenever your personal information changes.

To ensure that a cash benefit is paid to those seniors most in need, the ASB program is based on income. The lower your income, the higher your cash benefit will be, within the maximum cash benefit allowed under the program.

If your annual income level changes, the level of your cash benefit in the following benefit year will also change.

In general, a single senior with income of $21,350 or less, and senior couples with combined income of $33,900 or less, are eligible for a cash benefit. These income levels are guideline figures only, and are applicable for seniors whose income includes full Old Age Security pension. Since the source and composition of income will vary from one individual to another, please see the Alberta Seniors Benefit Information Booklet for more information. You can also visit the Alberta Seniors and Community Supports website at www.seniors.gov.ab.ca continued next page...

- Senior couple $8,775

**Other Residence Categories** **
- Single senior $1,860
- Senior couple $3,720

The Alberta Seniors Benefit cash benefit is paid on a monthly basis.

*Where one partner lives in a long-term care facility and the other lives in the community.
**Eg. Living with family members.

**Program Cycle**

The benefit year of the ASB program is 12 months, starting July 1 of the current year and ending June 30 of the following year. The program normally bases your cash benefit for the current program year on your income for the prior calendar year. An exception is made when applying to the program or receiving benefits from the program for the first time. In these situations, income for the current calendar year may be used to determine your eligibility.

Your application package will contain instructions for completing the forms and information on what you need to include with the completed application. For more information, contact Alberta Seniors and Community Supports at:

Special Needs Assistance for Seniors
The Special Needs Assistance for Seniors program is based on income and provides a lump-sum cash payment to eligible lower-income seniors. Under this program, seniors who are facing financial difficulty in paying extraordinary, one-time expenses and who have no other resources to draw on can apply for financial assistance. The amount funded depends on income level and the type of expense.

Eligibility
To be eligible for the Special Needs Assistance for Seniors program, you must:
• be 65 years of age or older
• have lived in Alberta for at least three months before applying
• have completed an application for the Alberta Seniors Benefit program
• be eligible for a cash benefit from the Alberta Seniors Benefit program
• have submitted a complete Special Needs Assistance for Seniors application form
• show you are unable to pay for your unexpected or extraordinary expenses

Generally, seniors who are receiving a cash benefit from the Alberta Seniors Benefit program may receive a special needs benefit.

Available Assistance
In any given benefit year, you can apply for a benefit of up to $5,000. A benefit year runs from July 1 of one year to June 30 of the following year.

Assistance is available for allowable special needs such as appliances, certain medical expenses, and the cost of minor home repairs. Effective April 1, 2005, the Special Needs Assistance for Seniors program no longer funds dental and optical expenses. These expenses are funded through the Dental Assistance for Seniors and Optical Assistance for Seniors programs.

Special Needs Assistance for Seniors is a program of last resort. All other sources of funding must be utilized prior to applying to the Special Needs Assistance for Seniors program. Below are a few examples of provincial and federal government programs that offer assistance.
• federal income security programs - Old Age Security/Guaranteed Income Supplement/Allowance/Allowance for the Survivor, see page 14 for more information
• medical supplies/hearing aids - Alberta Aids to Daily Living, see pages 31-33 for more information

continued next page...
• home repair programs - Residential Rehabilitation Assistance program (RRAP), Home Adaptations for Seniors Independence (HASI), see pages 19-20 for more information
• diabetic supplies - Alberta Monitoring for Health program, see page 45 for more information
• home support programs - Home Care, see page 40 for more information

These are just a few of the programs and services that are described in this guide. Before applying to the Special Needs Assistance for Seniors program, please check all of the federal and provincial benefits available.

Like the Alberta Seniors Benefit program, the Special Needs Assistance for Seniors program is based on income to ensure that assistance goes to those seniors most in need.

**How to Apply**
If you have used all other sources of funding and continue to have financial difficulties, you can apply to the program by submitting a complete Special Needs Assistance for Seniors application form. If you have not already done so, you will be asked to first submit an Alberta Seniors Benefit application form. If you are approved for benefits from the Alberta Seniors Benefit program, and you meet all the Special Needs Assistance for Seniors program eligibility requirements, you may then apply to the Special Needs Assistance for Seniors program.

**Income Programs for Non-Seniors**
Alberta Human Resources and Employment assists non-seniors who have little or no income, or those with special circumstances by providing Alberta Works Income Support. Income Support is a program of last resort that provides financial and health benefits, and training to Albertans who do not have the means to support themselves. Assets and income are taken into account in determining eligibility and benefit level.
Individuals who receive Old Age Security, Guaranteed Income Supplement, Allowance/Allowance for the Survivor and Canada Pension Plan benefits are unlikely to be eligible for assistance from this program. For more information on Income Support, visit the Alberta Human Resources and Employment website at [www.gov.ab.ca/hre](http://www.gov.ab.ca/hre) or call the Alberta Works Contact Centre toll-free at 1-866-644-5135.

**Assured Income for the Severely Handicapped**

Alberta Seniors and Community Supports offers the Assured Income for the Severely Handicapped (AISH) program. This program provides financial and health benefits to adults with a permanent and severe disability who are unable to support themselves. Assets, income, age and residency are also taken into account in determining eligibility and benefit levels. Applicants receiving an Old Age Security pension are not eligible to receive AISH.

For more information about AISH, contact:

**FEDERAL GOVERNMENT PROGRAMS**

The Government of Canada administers the Income Security Programs (ISP), which include the Canada Pension Plan, Old Age Security benefits, Guaranteed Income Supplement and Allowance Benefits.

You may telephone the ISP Call Centre to:
- obtain information about benefits
- change your address
- request income tax deductions from benefits
- obtain application forms
- notify ISP of changes that may affect your entitlement to benefits
- make an appointment

Old Age Security Pension (OAS)
To be eligible for the federal
Old Age Security pension, you must:
• be at least age 65 (you do not have
to be retired)
• be a legal resident of Canada
• have lived a minimum of 10 years
  in Canada after the age of 18

You must apply for this pension. If possible,
send in your application six months before
your 65th birthday.

Guaranteed Income
Supplement (GIS)
The Guaranteed Income Supplement
is available to seniors who receive the
Old Age Security pension and have little or no other income.

Eligibility for this supplement and the
amount of the supplement that you
would receive depends on:
• marital status
• total family income in the previous
calendar year; if you are married or
living common-law, the income of
your spouse or common-law partner
is included

The GIS is added to the federal Old
Age Security cheque each month. An
application must be submitted to
receive this benefit.

To continue receiving GIS benefits each
year, you must submit a renewal form or
file an income tax return by April 30.
Couples must file separate income tax returns.

Allowance/Allowance
for the Survivor
The Allowance is paid to the spouse
or partner of a senior receiving the
Guaranteed Income Supplement.
To be eligible you must:
• be age 60 through 64
• have lived a minimum of 10 years
  in Canada after the age of 18

The amount of the Allowance depends
on a couple's combined income in the
previous calendar year.

People who may be eligible for the
Allowance should apply six months
before their 60th birthday. It may be
applied for any time between ages 60 to
64 and could continue until the age of 65.

The Allowance for the Survivor is
available to a widow or widower of a legal
marriage or common-law partnership who
has little or no other income and who is
between the ages of 60 to 64.

The amount of Allowance for the
Survivor depends on the applicant’s
income in the previous calendar year.
An application must be submitted to receive this benefit. To continue receiving the Allowance or Allowance for the Survivor, you must file an income tax return by April 30 each year. Your Allowance or Allowance for the Survivor will automatically be renewed. If you do not file income tax, a renewal form must be completed.

**Canada Pension Plan**
The federal government administers the Canada Pension Plan (CPP). You contribute to the CPP through employment or self-employment. There are different Canada Pension Plan benefits. Application forms are available at any Income Security Programs office, by calling the ISP Call Centre or visiting the website. See page 13 for contact information.

**Retirement Pension**
You may be eligible for a retirement pension if you have paid into CPP for at least one year. You may start receiving your CPP retirement pension as early as age 60, at a reduced rate, providing you have ceased or substantially ceased working. If possible, submit your application six months before you want the pension to begin.

A spouse or common-law partner, in an ongoing relationship, can apply to share CPP retirement pension payments. Even if only one of you has been a contributor to the CPP, that one pension can still be shared. Both of you must be at least age 60 and both of you must have applied for any CPP retirement pension for which you may be entitled.

Once you begin receiving your retirement pension you can no longer contribute to the CPP if you return to work. You should inform your employer, who should discontinue CPP contributions.

**Disability Benefits**
The Canada Pension Plan pays a monthly benefit to people who:
• are under the age of 65
• have contributed to CPP
• are disabled according to Canada Pension Plan legislation

The **Disabled Contributor’s Child Benefit** is a monthly benefit for dependent children of a disabled contributor.

*continued next page*
Survivor Benefits
There are three types of survivor benefits.

The death benefit is a one-time payment to, or on behalf of, the estate of a deceased Canada Pension Plan contributor.

The survivor pension is a monthly pension paid to the surviving spouse or common-law partner of a deceased contributor.

The surviving child benefit is a monthly benefit for dependent children of a deceased contributor.

Child Rearing Dropout Provision
Months of low or zero earnings spent caring for your child under the age of seven, born after December 31, 1958, may be excluded from the calculation of your pension. This ensures that reduced earnings during the first seven years of your child’s life do not result in lower pension benefits in the future.

Credit Splitting (after divorce or separation)
When a legal marriage or common-law partnership ends in divorce or separation, Canada Pension Plan credits may be divided. Your divorce or separation must have occurred after January 1, 1987 and you must have been separated for at least one year.
ALBERTA GOVERNMENT PROGRAMS

The following programs are offered by Alberta Seniors and Community Supports.

Seniors Lodge Program
The Seniors Lodge program offers single or double bedrooms, meals, housekeeping, linen/laundry and recreational services.

Seniors who are functionally independent, with or without the help of existing community-based services, are eligible to apply for this program. Applicants are prioritized on the basis of need. Applicants may need to meet local community residency requirements.

The local management body sets lodge rates and administers the lodges. To protect lower-income residents, management bodies must ensure that each resident has at least $265 per month in disposable income after lodge accommodation costs.

Seniors Self-Contained Housing
The Seniors Self-Contained Housing program provides affordable apartments for low-income seniors who cannot afford private sector accommodation.

Seniors whose income falls within local limits and who are functionally independent, with or without the help of existing community-based services, are eligible to apply for this program. Applicants are prioritized on the basis of need. Community residency requirements may be in place. Rent is based on 30 per cent of a household’s adjusted income.

**Home Adaptation Program**
Homeowners and tenants may apply to receive a provincial government grant to assist with wheelchair modifications that improve access, facilitate movement, and significantly contribute to the safety and security of the wheelchair user. If total household income for the previous calendar year was less than $27,000, a homeowner or tenant may be eligible for a grant of up to $5,000. If total household income was between $27,001 and $32,000, the grant is up to $2,500.

An eligible homeowner or tenant must:
- require the use of a wheelchair on a continuing basis
- live in the home to be adapted
- have a household income equal to or less than $32,000 for the previous calendar year
- be a Canadian citizen or permanent resident of Canada
- be a permanent resident of Alberta

Modifications which are part of, or fixed to the unit or building are eligible, if they:
- facilitate access to the unit including the provision of ramps, wheelchair lifts, sloped walk-ways, and lowered thresholds
- facilitate movement inside the unit such as door widening, kitchen and bathroom cabinet modifications, installation of grab bars, flooring changes, or stair gliders or lifts

Tenants must obtain approval from the landlord to rent the unit for not less than one year. The landlord and Alberta Seniors and Community Supports must agree on the proposed modifications.

For information and application forms call (780) 427-5760. Outside Edmonton, call the Service Alberta Call Centre at 310-0000 to be connected toll-free, or write to:

The programs in this section are for low-income citizens. Household income must be less than the Core Need Income Threshold established by the federal government. The income limits depend on where the property is located and how many people live in the house.

Residential Rehabilitation Assistance Program (RRAP)

For the Disabled
This program is for low-income homeowners regardless of the age of the occupants. The house can be new, but construction must be substantially complete, and the house must meet a minimum standard of health and safety. The program provides an income-based forgivable loan up to $16,000 ($19,000 in northern areas) for modifications such as wheelchair accessibility or other mobility adaptations, allergy-related modifications, age-related disabilities, and hearing or sight impairments. The forgivable loan does not have to be repaid as long as the property is owned and occupied for one to five years after the work is done (depending on the amount of loan received).

Emergency Repair Program (ERP)
The Emergency Repair Program is for low-income homeowners in rural areas for emergency repairs required for continuing safe occupancy. This program is intended for homes that cannot be brought up to minimum standards through the Residential Rehabilitation Assistance program. This program provides a grant up to $6,000 ($9,000 in northern areas) for repairs such as heating systems, chimneys, doors and windows, etc.

**Home Adaptations for Seniors’ Independence (HASI)**

This program is for minor home adaptations to extend the time low-income seniors can live in their own homes independently. The program provides a forgivable loan of up to $3,500 for adaptations such as handrails, grab bars, deadbolts, lowering kitchen cupboards, adding shelving at a convenient height, additional light fixtures, additional electrical outlets, etc. The forgivable loan does not have to be repaid as long as the property is owned and occupied for six months after the work is complete. Funds are also available to the owners of rental units.

Seniors Advisory Council for Alberta
The Seniors Advisory Council for Alberta is a government-appointed body that reports to the Minister of Seniors and Community Supports. A Member of the Legislative Assembly, appointed by the Premier, chairs the council. Members represent six regions of the province, with one additional representative each from the Alberta Medical Association and Alberta universities.

Members of the Seniors Advisory council for Alberta consult with seniors and seniors’ organizations and hold meetings throughout the province to gather their suggestions and feedback. Through these interactions, the council makes recommendations to the government on legislation and policies affecting seniors and on the funding and coordination of programs and services for seniors.

Since 1986, the council has spearheaded the annual provincial Seniors’ Week. The focus of Seniors’ Week is to promote a greater understanding of aging and the contributions that seniors make to Alberta society.

ALBERTA COUNCIL ON AGING
The Alberta Council on Aging is a province-wide charitable organization of groups and individuals interested in issues related to Alberta’s aging population. The Alberta Council on Aging works towards change on both the individual and societal level, and towards enhancing the active participation of seniors in society.

The Alberta Council on Aging has also been involved in sponsoring the Senior Friendly Project. A Senior Friendly Toolkit and the video “Friendly Seniority” were developed for businesses, seniors

council members are interested in the concerns of all of Alberta’s seniors. To share your comments, or to meet with council members, contact:

For more information about continuing education opportunities, visit the Alberta Advanced Education website at [www.advancededucation.gov.ab.ca](http://www.advancededucation.gov.ab.ca) or call (780) 422-4495 in Edmonton. In all other areas of the province, call the Service Alberta Call Centre at **310-0000** to be connected toll-free.

**Elderhostel**
Elderhostel is a not-for-profit organization that offers educational travel experiences to adults 55 and over. Combining travel and learning, programs are designed to meet various interests, activity levels, budgets, schedules and lifestyles of older adults. To find out more, call **1-877-426-8056** or visit the website at [www.elderhostel.org](http://www.elderhostel.org)

**Libraries**
Many libraries offer programs and events of interest to seniors. Whether it is learning how to map your family tree, surfing the Internet, or attending a lecture, your local library may have the program for you. You can even use the Internet at your local library to access copies of this guide and other Alberta Seniors and Community Supports publications. To enquire about the programs and events available at your library, refer to the libraries section of your telephone directory.
Alberta Seniors and Community Supports offers the Alberta Aids to Daily Living (AADL) program. This program helps individuals who have a chronic disability or illness, and individuals who are terminally ill, to receive authorized basic medical equipment and supplies for more independent functioning in a home or home-like setting. A wide-range of authorized benefits are available, including hearing aids, medical/surgical supplies, rehabilitation equipment or respiratory equipment.

Assistance is provided in cooperation with authorizers and suppliers. An authorizer is your initial contact with AADL. He or she may be a nurse, physical therapist, occupational therapist, respiratory therapist, audiologist, speech pathologist, or other health care professional who works in a community health care centre, a hospital, a long-term care centre or a home care program. Please contact your regional health authority to locate an AADL authorizer.

Note: Medical doctors are not authorizers.

To be an AADL client you must:
• have a long-term disability (six months or more), chronic illness or a terminal illness
• be an Alberta resident
• have a valid Alberta Personal Health Number

How does the program work?
AADL assists individuals by subsidizing the costs of medical equipment and supplies authorized for an individual. AADL is a cost-shared program. Clients pay 25 per cent of the costs to a maximum of $500 per family, per benefit year (July 1 to June 30).

Clients with low incomes are exempt from cost sharing. Your authorizer or local community health care centre will have a Cost-Sharing Exemption Application for you to complete and send to the address on the form.

continued next page...
If you are exempt from cost sharing, AADL will issue you a benefit card. You must show the card to your authorizer and supplier. This card tells the vendor you are exempt from cost sharing for your authorized benefits. If you choose an upgraded item, you are responsible for paying any additional amount.

**WHAT IS COVERED?**

Only certain medical and surgical supplies and equipment are provided. To ensure coverage, you must obtain an authorization form before you contact a supplier. AADL will not reimburse you for items purchased before registered program authorizers have conducted their assessment.

The program does not cover special diets, diet supplements, foot orthotics, eyeglasses, prescription drugs, dental care/dentures, artificial eyes, artificial limbs, mastectomy prostheses and braces for seniors.

**Hearing Aids**

Hearing aids are provided to seniors and their dependants through AADL registered suppliers only. Cost sharing applies.

The program has the following limitations:

- seniors are eligible for a subsidy of one hearing aid every five years
- if you are a cost-shared client, AADL contributes $708.75 towards one hearing aid. If you are exempt from cost-sharing, AADL will contribute $945 for one hearing aid only. This does not include upgrades. If a more expensive hearing aid is purchased, you are responsible for the difference
- replacement of batteries is at your own cost
- AADL will assist with the invoice cost of factory repairs for the hearing aid once per benefit year after the original purchase warranty expires
- minor servicing and additional fees charged by the hearing aid practitioner are at your own cost
- hearing aids that are lost, stolen or damaged due to misuse are not replaced by AADL. You are advised to arrange for insurance to cover the loss of hearing aids
When visiting a hearing aid supplier, please ensure that they are registered with AADL as a vendor. For more information about registered vendors, contact Alberta Aids to Daily Living at (780) 427-0731. Outside the Edmonton area, call the Service Alberta Call Centre at 310-0000 to be connected toll-free.

Medical/Surgical Supplies and Rehabilitation or Respiratory Equipment
Certain medical supplies and equipment are supplied to eligible people who are chronically disabled and to individuals who are terminally ill. An AADL authorizer must assess your need for equipment or supplies and complete an authorization form to order them. Some items may require a physician’s prescription.

Benefits include:
- ostomy supplies
- incontinence and catheter supplies
- some basic dressings
- certain respiratory equipment and related services
- oxygen for clients who meet the AADL oxygen eligibility criteria*
- mobility aids such as walkers, wheelchairs and wheelchair accessories
- bathing and toilet aids such as bath seats, patient lifts and commodes
- back and hernia support items
- graduated pressure garments
- shoe raises
- custom-made orthopedic shoes for people with bony foot deformities (off-the-shelf shoes, shoe inserts and arch supports are not provided)

Program authorizers have complete lists of all items provided. How often you can receive an item is based on medical need.

Alberta Health and Wellness offers coverage for health-related services not covered by the Alberta Health Care Insurance Plan through Alberta Blue Cross Coverage for Seniors. The Government of Alberta pays the cost of the premiums for all Alberta seniors, their spouses and eligible dependants. Coverage for Seniors starts the first month after you turn 65.

After you are registered with Alberta Health and Wellness for seniors coverage, you will receive an Alberta Blue Cross card. To receive services, you must show your card.

Coverage for Seniors uses the same benefit year as Alberta Health and Wellness, July 1 to June 30. During one benefit year, Coverage for Seniors will provide a maximum of $25,000 in benefits per person for the following services:

Ambulance Services
Ambulance services refer to transportation to or from a public or general, active treatment hospital. You must be ill or injured and transported in a ground vehicle licensed under the Ambulance Services Act and Regulations. Coverage for Seniors will pay up to the maximum rate set by Alberta Health and Wellness.

Note: Inter-facility transfers are not covered under Alberta Blue Cross Coverage for Seniors. Inter-facility transfers are covered by Alberta’s regional health authorities.

Prescription Drugs
Alberta Health and Wellness covers 70 per cent of the cost of prescription drugs, including insulin. You pay the other 30 per cent, up to a $25 maximum per prescription or refill. The pharmacy bills Alberta Blue Cross directly, so your only out-of-pocket expense is the 30 per cent. Only prescription drugs listed in the Alberta Health and Wellness Drug Benefit List are covered.

Note: If an interchangeable drug product is available, Coverage for Seniors will pay the least-cost alternative price.
Purchase only the medicine you need, in quantities you will use. The maximum prescription quantity is a 100-day supply. It is best to be stabilized on the drug dose before getting this quantity. A pharmacist cannot dispense a larger quantity without authorization from Alberta Blue Cross. If you plan to travel outside Alberta and need medication for more than 100 days, talk to your pharmacist at least two weeks before your departure. This will give your pharmacist enough time to obtain authorization.

Alberta Blue Cross *Coverage for Seniors* also provides coverage for services received in other parts of Canada or outside the country. You may be asked to pay for these services at the time they are provided. To be reimbursed, send Alberta Blue Cross a completed and signed Alberta Blue Cross health claim form, with receipts attached. Benefits for services received out-of-country are paid in Canadian funds according to approved Alberta benefit rates.

**Other Services**

For the following services, you pay the bill then submit the receipt to Alberta Blue Cross for reimbursement:

- clinical psychological services (up to specified maximums)
- home nursing care (up to yearly maximums)
- appliances (up to 100 per cent of the maximum allowable for items on a benefit list as defined by Alberta Health and Wellness), on written order of a physician, the purchase or repair of:
  - artificial eyes
  - artificial limbs except myoelectric-controlled prostheses
  - permanent braces
  - mastectomy prostheses (supporting brassieres are not covered)

Effective April 1, 2005, Alberta Seniors and Community Supports introduced the Dental Assistance for Seniors program. This program provides eligible Albertans aged 65 and older with coverage for basic dental services and is administered by Alberta Blue Cross.

For more information visit their website at [www.ab.bluecross.ca](http://www.ab.bluecross.ca) or contact your nearest Alberta Blue Cross Office.

ALBERTA HEALTH CARE INSURANCE PLAN

Basic coverage includes:
• medically required services of physicians and osteopaths according to an approved benefit schedule
• specific dental oral and maxillofacial surgical procedures performed by an oral surgeon according to an approved benefit schedule
• some chiropractic services: benefits are limited for each service and the maximum payable per benefit year* is $200
• some foot care services provided by a podiatrist: benefits are limited for each service and the maximum payable per benefit year* is $250
• limited coverage for out-of-province physical therapy services provided in an out-of-province/out-of-country general or auxiliary hospital. In-province physical therapy services are based on assessed need and are the responsibility of the regional health authorities. Please contact your local regional health authority for more information.
• an operator’s licence medical examination for people 74 years and six months of age and over

• a full eye exam (prescription for the fitting of corrective lenses), a partial eye exam (including two or more diagnostic procedures), and a single diagnostic service for persons 18 and under or 65 and over. Each of the three eye care benefits is allowed once per benefit year.*

* The Alberta Health Care Insurance Plan benefit year for chiropractic, podiatry and optometric benefits is from July 1 of one year to June 30 of the following year.

HEALTH INSURANCE PREMIUMS
Effective October 1, 2004, all seniors, along with their spouses and dependants, are exempt from paying Alberta Health Care insurance premiums.

Extra Billing
Extra billing is not permitted for any medically required physician, oral surgery or optometry service insured by the Alberta Health Care Insurance Plan; however, not all services provided by practitioners are covered. You can expect to pay the full fee for uninsured services, and should be informed of this by your practitioner before the service is delivered.

Alberta chiropractors and podiatrists are allowed to extra bill the patient. Private insurers providing supplementary health insurance for health services in Alberta can cover extra charges.

**Hospital Services**
When you are registered with the Alberta Health Care Insurance Plan and are admitted to an acute care hospital in Alberta for medically required services, you will receive standard ward care, meals, nursing and other services without charge while you are a patient in the hospital. For details about other services that may be included, contact Alberta Health and Wellness.

If you request a private or semi-private hospital room, you will be required to pay a room charge, determined by each individual hospital, unless a physician indicates it is medically required. You may be able to purchase coverage for these charges from some private insurers. See page 44 for information on private insurers.

For more information about coverage for hospital services, contact your regional health authority; see pages 39 and 40 for addresses and phone numbers.

Home care services help residents of Alberta achieve and maintain health, well-being and personal independence in their own homes. Referrals for home care services come from many sources including family members, friends and doctors. Once the referral is made, regional health authority staff assess the health needs of the individual and the needs of the caregiver. Home care services, including respite to relieve informal caregivers, may be provided.

Home care services include professional and support services. Professional services are nursing, social work, physiotherapy, occupational therapy, nutritional services and respiratory therapy. Support services are personal care services (bathing, dressing and grooming). There is no charge for professional and personal care services.

To arrange for home care services, please call your regional health authority. See pages 39 and 40 for a listing of Alberta’s regional health authorities.
**Long-Term Care Centres**

In Alberta, long-term care facilities (nursing homes and auxiliary hospitals) provide room and board and a range of care services, from personal care with nursing supervision to skilled medical and nursing care provided through a contract with regional health authorities. These centres vary in size and are located throughout the province.

The province pays all care costs based on individual need assessments for patients who meet the following conditions:

- you must be eligible for registration with the Alberta Health Care Insurance Plan
- you must have lived in Alberta for three consecutive years at any time previously, or
- you must have lived in Alberta for one year immediately prior to applying, and
- you must have been a resident of Canada for 10 years or more

Residents of nursing homes and auxiliary hospitals are not charged for the cost of prescription drugs as prescribed by the resident's attending physician. Ambulance services are also provided at no charge if a patient is transferred to or from a hospital for care or treatment.

Residents of long-term care facilities are responsible for accommodation charges at the following rates:
- $39.62 /day for standard accommodation
- $42.00 /day for semi-private accommodation
- $48.30 /day for private accommodation

Low-income seniors may be eligible for financial assistance through the Alberta Seniors Benefit program. For information, please telephone **1-800-642-3853**.

Admission to a long-term care facility is based on an assessment of need carried out by a registered nurse of the regional health authority. When you request services, the assessment staff may decide that a long-term care facility would provide the most appropriate services. If this decision is made, regional staff will work with the placement service to find the right centre for you.

*continued next page*...
Regional health authorities may be able to offer other models of care that combine health services and shelter. Other models of care include assisted living, adult family care, group homes, special centres for Alzheimer’s disease and related disorders, transitional living settings and various types of seniors day programs. Those that receive funding through regional health authorities will undergo assessments like those used for long-term care facilities before being placed in any of these other models of care.

For more information about long-term care facilities, contact your regional health authority. See pages 39 and 40 for phone numbers and addresses.

Day Support Programs and Day Hospitals
Day support programs are group programs that individuals may attend on a daily basis. They are intended for people who are frail and/or disabled. These people also need health maintenance, rehabilitation and social or recreational activities. The programs take place in a variety of settings.

Day hospitals are for people who require specialized assessment, treatment and rehabilitation services as an alternative to admission to an acute care hospital or long-term care facility. Individual care plans are developed. These programs may be available through acute care programs and long-term care facilities.

To find out if there is a day support program or a day hospital in your community, contact your regional health authority.
Geriatric Assessment and Rehabilitation Programs
Specialized geriatric assessment and rehabilitation programs are offered in several communities. For information, contact your regional health authority. See contact information on pages 39 and 40.

Mental Health Services
Mental health services are available free of charge to all age groups throughout the province. Services offered include mental health information and education, assessment, counselling, treatment and follow-up services.

Inpatient mental health services are available in urban and regional acute care hospitals, at the Claresholm and Raymond Care Centres, Alberta Hospital Edmonton and Alberta Hospital Ponoka. In addition, many hospitals and long-term care facilities offer Day Hospital programs for older individuals with mental health problems. Your nearest mental health clinic or your physician can direct you to, or provide you with information on these services.

For more information, contact your local regional health authority or the Alberta Mental Health Help Line at 1-877-303-2642.

Public Health Services
Public health services are available to all Albertans through the regional health authorities. Services provided may include:
- immunization against diseases such as influenza
- health education and counselling
- nutrition education
- dental hygiene education
- sexual health education and counselling
- speech-language pathology services

For information about public health services in your area, contact your regional health authority for phone numbers and addresses.
PRIVATE HEALTH INSURERS

Private health insurance companies offer health benefit plans to complement existing seniors health benefits sponsored by the Government of Alberta. These insurance plans offer a range of benefits. For more information, contact the Consumer Assistance Centre for the Canadian Life and Health Insurance Association toll-free at 1-800-268-8099 or visit their website at www.clhia.ca

YOU AND YOUR MEDICATIONS

When you need to take medications, it is important to understand what you are taking, why you are taking it, how to take it and what the side effects may be. Don’t be afraid to ask your doctor and your pharmacist questions about the medications you take. It may help to write your questions down before you go and then write down the answers. You have the right to know.

If you would like more information, the publication “Knowledge is the Best Medicine” is available from most pharmacists or through Alberta Seniors and Community Supports toll-free at 1-800-642-3853 (in Edmonton at 427-7876).
The Alberta Monitoring for Health Program assists eligible Albertans with diabetes, by covering a portion of the cost of diabetes management supplies. This program is administered by the Canadian Diabetes Association and funded by Alberta Health and Wellness.

The Alberta Monitoring for Health program is now able to provide support to persons with diabetes who are not insulin dependent, but manage their disease through diet and oral medication.

To access this program, you must meet the following eligibility requirements:

- have diabetes mellitus
- be a resident of Alberta
- manage your diabetes through diet, oral medications and/or insulin therapy
- have supplies and/or medication prescribed by a physician
- do not have insurance coverage for diabetes management supplies such as blood glucose test strips, injections supplies, lancets and pump supplies (Insurance coverage for insulin or oral medication will not affect eligibility)
- have received training in self-monitoring of blood glucose
- either, under 65 years of age and receiving government subsidy for Alberta Health Care Insurance Plan, or, currently registered with the Alberta Seniors Benefit program if 65 years or older

FAMILY AND COMMUNITY
SUPPORT SERVICES (FCSS)

Under FCSS, communities design and deliver social programs that promote and enhance well-being among individuals, families and communities. These provincial/municipal programs, available in most parts of Alberta, provide information, funding and assistance with the development of community preventive social programs, including services for senior citizens.

In some communities, FCSS assist seniors by offering home support services, visiting services and various outreach programs. For information, contact the FCSS office listed in your local telephone directory.

**OFFICE OF THE OMBUDSMAN**

The primary purpose of the Ombudsman is to conduct impartial investigations of written complaints from individuals who believe they have been treated unfairly by the provincial government. The Ombudsman is independent of government and has broad powers to investigate actions, decisions, practices and procedures of government departments, boards, agencies and commissions. Individuals are required to complete all available appeals before the Ombudsman may consider investigating.

The Office of the Ombudsman also assists individuals in directing complaints to the appropriate contact, department or complaint mechanism when the complaint is outside the Ombudsman’s jurisdiction to investigate. The Ombudsman does not investigate disputes between private individuals.

OFFICE OF THE PUBLIC GUARDIAN

Alberta Seniors and Community Supports is responsible for the Office of the Public Guardian (OPG), which offers assistance and services relating to Guardianship for Dependent Adults and Personal Directives.

GUARDIANSHIP FOR DEPENDENT ADULTS
Guardianship is a legal process that gives an individual (a guardian) the legal authority and responsibility to make decisions about non-financial personal matters on behalf of a dependent adult. Dependent adults are individuals over the age of 18 who are unable to care for themselves and unable to make reasonable judgments about personal matters. Personal matters include where and with whom to live, social activities, work-related matters, education and training, licences and permits, non-estate legal matters, health care and day-to-day decisions.

OPG encourages and assists individuals in obtaining a guardianship order for an adult who is unable to make independent decisions. Once appointed by the court, these individuals are called private guardians and have decision-making authority for the adult’s personal affairs. If no family or friends are willing to apply to be a private guardian, then the Public Guardian can be appointed as a last resort. Guardians are accountable to the Court. The Court will require the actions and decisions of the guardian to be reviewed at least every six years.

OPG can provide additional information about how to apply for a guardianship order. OPG funds 12 community agencies to assist the public in applying for guardianship. OPG also has self-help kits available for people who wish to apply for guardianship without hiring a lawyer. There are some costs associated with the granting of an order. Where the legal costs would be a hardship for a dependent adult or an applicant, the applicant may be eligible to have OPG contribute to the cost.

PERSONAL DIRECTIVES ACT
A Personal Directive is a legal document that you can write in case something happens and you cannot make your own personal decisions in the future. Anyone over the age of 18 can complete a personal directive. It can be made with or without the assistance of a lawyer. It becomes a legal document when it is dated, signed and witnessed.

A Personal Directive lets you choose another person, called an agent, to act on your behalf. The written instructions provided in this document help your agent...
make decisions on personal, non-financial matters such as where and with whom you live, health care and legal matters. Family, friends and service providers can also be assured that the decisions being made are consistent with your expressed wishes.

The Office of the Public Guardian can provide additional information about how to create a Personal Directive, where help is available and how to carry out the role as an agent.

Questions about guardianship or personal directives should be directed to the regional office closest to where the dependent adult or the person making a personal directive lives. For more information, visit the website www.seniors.ab.ca, or contact the Office of the Public Guardian at:

ELDER ABUSE

Different service providers use their own definitions when responding to cases of elder abuse. This makes it difficult to respond to the problem using one specific definition. However, it is generally agreed that elder abuse is described as any action or lack of action that causes harm to an elderly person. Elder abuse takes many forms:

- **physical abuse** – slapping, pushing, kicking, punching, injuring with an object or weapon, deliberate exposure to severe weather, inappropriate use of medication or unnecessary restraint

- **sexual abuse** – any forced sexual activity

- **psychological abuse** – humiliation, isolation, intimidation, threats, inappropriate control of activities or removal of decision-making power when the elderly person is still capable of making decisions

- **financial abuse** – misuse of a person’s funds or property through fraud, trickery or force

• neglect – any lack of action required to meet the needs of an elderly person such as inadequate provision of food, clothing, shelter, required medication or other kinds of health and personal care, as well as social companionship

**PROTECTION FOR PERSONS IN CARE**

Alberta Seniors and Community Supports is responsible for the Protection for Persons in Care office. This office administers the *Protection for Persons in Care Act* which promotes the safety and well-being of adults who receive services from publicly-funded care facilities. The act also protects individuals residing in nursing homes, hospitals, seniors’ lodges, group homes and shelters.

Protection for Persons in Care is responsible for receiving complaints of abuse and for ensuring all complaints are investigated. Following an investigation, recommendations are made to prevent similar incidents from occurring.

All individuals who believe that a person in care has or is being abused must report that abuse to Protection for Persons in Care or to the police. To report an incident of abuse, call:

**ALBERTA HEALTH FACILITIES REVIEW COMMITTEE**

The Health Facilities Review Committee ensures that quality care, treatment and standards of accommodation are maintained in health care facilities. The committee has the authority to visit Alberta’s acute care, long-term care, mental health and special care facilities to monitor and evaluate them on behalf of users and the public-at-large. Visits to facilities are not announced.

The committee forwards reports along with recommendations to the regional health authority, the facility and the Minister of Health and Wellness. Facilities are monitored to make sure recommendations are followed.

**FRAUDS AND SCAMS**

On a daily basis, criminals are taking advantage of seniors. Although many legitimate businesses market their products and services over the telephone (telemarketing), door to door, or through the Internet, mail or newspaper and magazine ads, there are some dishonest people who will use these methods to take your money.

Learn how to tell the difference between a legitimate and honest offer and those individuals that could be defrauding you. Remember, legitimate businesses are not concerned about consumers checking past customer relationships, and are willing to wait for consumers to decide to use their services. If they are reluctant to give you any information, you should be just as reluctant to hire them.

TAXES

GENERAL INFORMATION

When filing a tax return, most forms of income are taxable (including amounts paid to deceased individuals). Seniors may qualify for any number of federal and/or Alberta provincial tax credits within the tax system. Seniors eligible for the disability tax credit may be eligible to claim attendant care expenses. For more information, visit the Canada Revenue Agency website at www.cra.gc.ca or phone the general inquiry line at 1-800-959-8281.

SERVICE FOR SENIORS

Service for Seniors allows eligible seniors to file their tax returns for free using a touch-tone telephone. To be eligible to use the service, you must be over the age of 65 and meet the following requirements:

• your only income is from Old Age Security, the Canada Pension Plan or the Guaranteed Income Supplement
• your taxable income is less than the income limit established for this service

If you have a computer, you may also netfile at www.netfile.gc.ca/menu-e.html

For more information, call the Canada Revenue Agency toll-free at 1-800-959-8281.

**COMMUNITY VOLUNTEER INCOME TAX PROGRAM**

If you need help completing your income tax return and have limited income, ask Canada Revenue Agency for a volunteer.

Volunteers are specially trained by Canada Revenue Agency staff, and are able to help you complete your tax return and necessary forms. You should maintain and provide all your information slips (e.g., medical receipts for glasses and dentures). Your pharmacist should be able to provide you with a computer printout of any prescription medication costs. Both you and your spouse/adult interdependent partner should file a return.

If you would like to get involved as a volunteer, Canada Revenue Agency will show you how to complete basic tax returns and provide a kit of reference material. With the training session and material, you will be ready to help others in your community.

For information about the Community Volunteer Income Tax Program call:

Toll-free: **1-800-959-8281**

**GST CREDIT**

The Goods and Services Tax (GST) Credit is designed to offset the cost of the GST for individuals and families with moderate or lower incomes.

To apply, you must file a tax return and complete the Goods and Services Tax Credit information section. If you are eligible, you will receive payments in July, October, January and April. Only one member of each family unit is eligible to apply.

**POWER OF ATTORNEY**

Granting a Power of Attorney gives someone else (called your “attorney”) the power to make decisions and act on your behalf. A Power of Attorney is voluntary and is limited to matters of property and finance. It does not allow someone to make personal or health decisions on your behalf.

**General vs Limited Power of Attorney**

A *limited* Power of Attorney gives your attorney the power to handle certain financial affairs only; for example, your affairs at a particular bank.

A *general* Power of Attorney gives your attorney the power to handle all financial affairs, including applying for and administering federal or provincial benefits.

**Power of Attorney**

- you must be mentally competent to give a Power of Attorney
- takes effect immediately
- ends if you become mentally incapable of managing your affairs

**Enduring Power of Attorney**

- specifically states that the Power of Attorney remains in effect should you become mentally incapable of managing your affairs
- can contain conditions, such as requiring a written statement from a physician indicating that a specific event has occurred

Although not mandatory, you may wish to consult a lawyer for assistance in drafting your Power of Attorney document.

**POWER OF ATTORNEY/Enduring Power of Attorney**

The following is a brief description of the differences between a Power of Attorney and an Enduring Power of Attorney. For more detailed information, visit the Alberta Justice website noted below and refer to menu topics:

[www.justice.gov.ab.ca/dependent_adults/default.aspx](http://www.justice.gov.ab.ca/dependent_adults/default.aspx)
A will is a written document that allows you to set out how your property is to be distributed after you die. A will allows you to name a person who will act as your executor after your death and who will make certain that your property is distributed according to your wishes. A will does not have any legal force or effect until after you die.

There are three different types of wills:
- formal will: prepared for you by a lawyer
- holograph will: prepared by you and done in your handwriting
- will kit: forms obtained from any stationary store that you complete yourself

If you require a lawyer, and you do not have one, you can contact the Lawyer Referral Service at 1-800-661-1095. See page 26 for more information.

What happens if you die without a will?
If you die without a will, your property will be distributed according to the provisions of the *Intestate Succession Act*. Information about this act is available in the handbook *Saying Farewell: A helpful guide with information and forms to assist you through the death and dying process*. To print your own copy, visit the Alberta Seniors and Community Supports website at www.seniors.gov.ab.ca

What is an executor?
An executor is a person who is named in a will to be responsible for the administration of an estate. The executor is responsible for notifying relatives and beneficiaries, disposing of perishable assets, securing any estate assets that require immediate attention, making provisions for the immediate needs of the dependants of the deceased, and ensuring that proper funeral and burial arrangements are made.

For more information on wills, executors, or the *Intestate Succession Act*, contact your lawyer or call the Lawyer Referral Service at 1-800-661-1095.
MAKING FUNERAL ARRANGEMENTS

Check to find out if the deceased previously made any funeral arrangements. If no funeral arrangements have been made, you will need to choose a time and place for the funeral or memorial service. If there is no money for a funeral, discuss with the funeral director whether financial assistance may be available to you.

Prices for funerals can vary significantly depending on the types of services requested. The Alberta Funeral Service Association has a publication *Funerals: An Information Guide*. The publication offers information about planning a funeral, memorial service or military service. To obtain a copy of this publication, contact the Alberta Funeral Service Association at:

WHO TO CONTACT
WHEN SOMEONE DIES

Some of the following activities require supporting documentation as proof of death. In most cases this will be a death certificate, but in some instances a statement from the funeral home may be accepted. When you are unsure of the requirements, you may wish to call ahead to confirm the documentation needed for a specific service. To order a death certificate, contact a registry agent (check the Yellow Pages under License & Registry Services).

Estate
Contact the executor (the person named in the Last Will and Testament as being responsible for settling the estate).

INFORMATION FOR SENIOR DRIVERS

**Alberta Infrastructure and Transportation**

The Driver Fitness and Monitoring Branch of Alberta Infrastructure and Transportation is responsible for making decisions relating to a person's medical and/or physical fitness to drive. The law requires that drivers report any medical condition, change in health, or physical disability that affects their ability to drive. Medical reports are required upon renewal of an operating licence when a person reaches the age of 75, at age 80, and every two years thereafter. The Alberta Health Care Insurance Plan will pay for medical exams for motor vehicle operators who are 75 years of age or older.

Transportation items of interest to seniors and persons with disabilities, such as the Alberta Inter-Community Transportation Guide, can be found at www.infra.gov.ab.ca and then clicking on the international mobility symbol.
