# LARGE BATHING AND TOILETING EQUIPMENT

**Eligibility:** Clinical rationale must be written on 1250 form for any of the following options: tilt, heavy duty, extra wide, wheels (versus casters) and folding feature. Clinical rationale for Heavy Duty and Extra Wide option includes the client's weight and hip width. Only one toileting/bathing aid permitted per function (e.g. may not have both a commode and raised toilet seat).

**Cost:** Clients are responsible for any charges above benchmark maximum price.

**Equipment Standards for AADL Large Equipment:**
- Manufacturers must have an active representative in the province – available for consult.
- Distribution of equipment is through AADL Approved Vendors with a facility maintained in Alberta.
- Minimum 3 year warranty.
- Parts must be available from a Canadian Distributor/warehouse – AADL vendor to carry common maintenance parts (e.g. casters & pots).
- *Commodes and shower commodes must meet the minimum basic weight capacity of 250 lbs. unless otherwise stated.

**Approved Manufacturers for commodes and shower commodes:** AMG, Artisan, Drive, Dynamic, Guardian, Invacare, Mangar, Maple Leaf, Power Plus, Rifton and Snug Seat. *Future Mobility Aqua Rehab Commode series.* Manufacturer and model must be indicated on 1250
