

Welcome to Garner Lake Provincial Park

This small, quiet park is a nice getaway for families and others looking for a peaceful retreat. The lake is ideal for canoeing and kayaking, as well as fishing and swimming. There are 5 kilometres of trails for walking and cycling and a grassy playground area.

Facilities include basic and power campsites, shower facilities, a boat launch, fish cleaning stands, potable water, picnic shelters and a sewage dumping area.

We hope you enjoy your stay.
