EPPA Update 20-05

Issued: September 23, 2020

Filing Fee for Pension Plans effective October 1, 2020

In accordance with Section 153 of the Employment Pension Plans Regulation, the Superintendent of Pensions advises that the annual per member filing fee effective October 1, 2020 will be \$2.00. The previous year's fee was \$2.50 per member. For this year, a decrease is realized due to an increase in total plan membership and the use of previous years' excess collected over actual expenses. The minimum fee is \$250 per plan and the maximum fee is \$75,000 per plan. This new rate applies to all annual information returns with fiscal year-ends ranging from October 1, 2020 to September 30, 2021 only.
