SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair

To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

BOARD CHAIR Nancy McClure "Original Signed" Name Signature SUPERINTENDENT **Brian Celli** "Original Signed" Name Signature SECRETARY-TREASURER OR TREASURER **Mohammed Azim** "Original Signed" Name Signature November 25, 2014 **Board-approved Release Date**

INDEPENDENT AUDITORS' REPORT

TO: The Board of Trustees
Wild Rose School Division No. 66

We have audited the accompanying financial statements of Wild Rose School Division No. 66, which comprise the statement of financial position as at August 31, 2014, and the statements of operations, cash flows and changes in net financial assets for the year then ended, and notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the school division as at August 31, 2014, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Unexpended Deferred Capital Revenue

- (A) Represents funding received from the Government of Alberta to be used toward the acquisition of new approved tangible capital assets with restricted uses only.
- (B) Represents any surplus of funding over costs from column (A) approved by Minister for future capital expenditures with restricted uses only.
- (C) Represents proceeds on disposal of provincially funded restricted-use capital assets to be expended on approved capital assets per 10(2)(a) of Disposition of Property Reg. 181/2010.
- (D) Represents capital revenue received from entities OTHER THAN the Government of Alberta for the acquisition of restricted-use tangible capital assets.

School buildings				65,505.0
Non school buildings				5,497.0

Note:

Custodial: All expenses related to activities undertaken to keep the school environment and maintenance shops clean and safe.

Maintenance: All expenses associated with the repair, replacement, enhancement and minor construction of buildings, grounds and equipment components. This includes regular and preventative maintenance expenses exclude operational costs related to

expensed IMR & Modular Unit relocations, as they are reported on separately

Utilities & Telecommunications: All expenses related to electricity, natural gas and other heating fuels, sewer and water and all forms of telecommunications.

Expensed IMR & Modular Unit Relocation & Lease Pmts: All operational expenses associated with non-capitalized Infrastructure Maintenance Renewal projects, modular unit (portable) relocation, and payments on leased facilities.

& contractors, school facility planning & project 'administration', administration of joint-use agreements, and all expenses related to ensuring compliance with health and safety standards, Facility Planning & Operations Administration: All expenses related to the administration of operations and maintenance including (but not limited to) contract administration, derical functions, negotiations, supervision of employees

codes and government regulations.

Supported Capital & Debt Services: All expenses related to supported capital assets amortization and interest on supported capital debt.

1. AUTHORITY AND PURPOSE

The School Jurisdiction delivers education programs under the authority of the School Act, Revised Statutes of Alberta 2000, Chapter S-3. The jurisdiction is exempt under the Income Tax Act.

The jurisdiction receives funding for instruction and support under Education Grants Regulation (AR 120/2008). The regulation allows for the setting of conditions and use of grant monies. The School Jurisdiction is limited on certain funding allocations and administration expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Canadian public sector accounting standards (PSAS) without reference to not-for-profit provisions. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

a) Cash and Cash Equivalents

Cash and cash equivalents include cash and investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These short-term investments have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

b) Accounts Receivable

Accounts receivable are shown net of allowance for doubtful accounts.

c) Tangible capital assets

The following criteria applies:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.
- Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.
- Work-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.
- Sites and buildings are written down to residual value when conditions indicate they no
 longer contribute to the ability of the School Division to provide services or when the
 value of future economic benefits associated with the sites and buildings are less than
 their net book value. For supported assets, the write-downs are accounted for as
 reductions to Expended Deferred Capital Revenue.
- Buildings that are demolished or destroyed are written-off.
- Tangible capital assets with costs in excess of \$5,000 are capitalized. Furniture and equipment purchases relating to a new school or school modernization are capitalized.
- Tangible capital assets are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Buildings 2.5% to 4%
Vehicles & Buses 10% to 20%
Computer Hardware & Software 20% to 25%
Other Equipment & Furnishings 10% to 20%

d) Deferred Revenue

Deferred revenue includes contributions received for operations which have stipulations that meet the definition of a liability per Public Sector Accounting Standard PS 3200. These contributions are recognized by the School Division once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

Deferred revenue also include contributions for capital expenditures, unexpended and expended:

Unexpended Deferred Capital Revenue

Unexpended Deferred Capital Revenue represent externally restricted supported capital funds provided for a specific capital purpose received or receivable by the jurisdiction, but the related expenditure has not been made at year-end. These contributions must also have stipulations that meet the definition of a liability per PS 3200 when expended.

Expended Deferred Capital Revenue

Expended Deferred Capital Revenue represent externally restricted supported capital funds that have been expended but have yet to be amortized over the useful life of the related capital asset. Amortization over the useful life of the related capital asset is due to certain stipulations related to the contributions that require that the school jurisdiction to use the asset in a prescribed manner over the life of the associated asset.

e) Employee Future Benefits

The School Division provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements.

The School Division accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include vested or accumulating sick leave, early retirement, retirement/severance, job-training and counseling, post-employment benefit continuation, vacation, overtime, and various qualifying compensated absences and non-vested sick leave. The future benefits cost is determined using management's best estimate of expected salary escalation, benefit usage, termination and retirement rates and mortality.

f) Asset Retirement Obligations

Liabilities are recognized for statutory, contractual or legal obligations associated with the retirement of tangible capital assets when those obligations result from the acquisition, construction, development or normal operation of the assets. The obligations are measured initially at fair value, determined using present value methodology, and the resulting costs are capitalized into the carrying amount of the related asset. In subsequent periods, the liability is adjusted for the accretion of discount and any changes in the amount or timing of the underlying future cash flows.

The School Division has determined that it has a conditional asset retirement obligation relating to certain school sites. These obligations will be discharged in the future by funding through the Alberta Government. The School Division believes that there is insufficient information to estimate the fair value of the asset retirement obligation because the settlement date or the range of potential settlement dates has not been determined and information is not available to apply an expected present value technique.

g) Other Non-Financial Assets

Inventories are recorded at the lower of cost or replacement cost.

h) Operating and Capital Reserves

Certain amounts are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Board of Trustees. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Changes in Accumulated Surplus.

i) Revenue Recognition

Revenues are recorded on an accrual basis. Instruction and support allocations are recognized in the year to which they relate. Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

Volunteers contribute a considerable number of hours per year to schools to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school generated funds. Contributed services are not recognized in the financial statements.

Eligibility criteria are criteria that the School Division has to meet in order to receive certain contributions. Stipulations describe what the School Division must perform in order to keep the contributions. Contributions without eligibility criteria or stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity. Contributions with eligibility criteria but without stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity and all eligibility criteria have been met.

Contributions with stipulations are recognized as revenue in the period the stipulations are met, except when and to the extent that the contributions give rise to an obligation that meets the definition of a liability in accordance with Section PS 3200. Such liabilities are recorded as deferred revenue. The following items fall under this category:

- Non-capital contributions for specific purposes are recorded as deferred revenue and recognized as revenue in the year the stipulated related expenses are incurred;
- Unexpended Deferred Capital Revenue; or
- Expended Deferred Capital Revenue.

j) <u>Expenses</u>

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Allocation of Costs

- Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

k) Pensions

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

The current and past service costs of the Alberta Teachers Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers Pension Plan Act, the Wild Rose School Division does not make pension contributions for certificated staff. The Government portion of the current service contribution to the Alberta Teachers Retirement Fund on behalf of the jurisdiction is included in both revenues and expenses. For the school year ended August 31, 2014, the amount contributed by the Government was \$3,210,522 (2013 - \$2,885,800).

The School Division participates in a multi-employer pension plan, the Local Authorities Pension Plan, and does not report on any unfunded liabilities. The expense for this pension plan is equivalent to the annual contributions of \$1,067,371 for the year ended August 31, 2014 (2013 \$940,740). At December 31, 2013, the Local Authorities Pension Plan reported an actuarial deficiency of \$4,861,516,000 (2012 deficiency of \$4,977,303,000).

I) Program Reporting

The Division's operations have been segmented as follows:

- ECS-Grade 12 Instruction: The provision of Early Childhood Services education and grades 1 12 instructional services that fall under the basic public education mandate.
- Plant Operations and Maintenance: The operation and maintenance of all school buildings and maintenance shop facilities.
- **Transportation:** The provision of regular and special education bus services (to and from school), whether contracted or board operated, including transportation facilities.
- Board & System Administration: The provision of board governance and system-based / central office administration.
- External Services: All projects, activities, and services offered outside the public education mandate for ECS children and students in grades 1-12. Services offered beyond the mandate for public education are to be self-supporting, and Alberta Education funding may not be utilized to support these programs.

The allocation of revenues and expenses are reported by program, source, and object on the Schedule of Program Operations.

m) Trusts Under Administration

The School Division has property that has been transferred or assigned to it to be administered or directed by a trust agreement or statute. The Division holds title to the property for the benefit of the beneficiary.

Trusts under administration have been excluded from the financial reporting of the Division. Trust balances can be found in Note 16.

n) Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School District recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities, employee future benefit liabilities, debt and other liabilities. Unless otherwise noted, it is management's opinion that the School Division is not exposed to significant credit and liquidity risks, or market risk, which includes currency, interest rate and other price risks.

o) Measurement Uncertainty

The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization and estimated employee future benefits.

p) Future Accounting Standards

As of August 31, 2014, the following accounting policy from PSAS is in place but not yet effective:

PS 3260, "Liability for Contaminated Sites", establishes standards on how to account for and report a liability associated with the remediation of contaminated sites. The effective date for Government organizations are for the fiscal year beginning on or after April 1, 2014. The Alberta Treasury Board has requested all Alberta school jurisdictions to provide disclosure of liabilities for contaminated sites effective August 31, 2015 (including comparative figures for August 31, 2014).

11. OTHER NON-FINANCIAL ASSETS

	2014	2013
Inventories	\$ 127,463	\$ 149,197

12. ACCUMULATED SURPLUS:

Detailed information related to accumulated surplus is available on the Schedule of Changes in Accumulated Surplus. Accumulated surplus may be summarized as follows:

	2014	2013
Unrestricted surplus	\$ 1,211,742	\$ 1,298,723
Operating reserves	4,588,785	4,924,384
Accumulated surplus (deficit) from operations	5,800,527	6,223,107
Investment in tangible capital assets	6,022,852	6,524,528
Capital reserves	869,744	902,337
Accumulated surplus (deficit)	\$ 12,693,123	\$ 13,649,972

Accumulated surplus (deficit) from operations (ASO) include school generated funds of \$670,213. These funds are raised at school level and are not available to spend at board level. The school jurisdiction's Adjusted surplus (deficit) from operations is calculated as follows:

	2014	2013
Accumulated Surplus (Deficit) from operations	\$ 5,800,527	\$ 6,223,107
Deduct: School generated funds included in accumulated surplus (Note 7)	 670,213	747,496
Accumulated Surplus (Deficit) from operations (1)	\$ 5,130,314	\$ 5,475,611

⁽¹⁾ Adjusted accumulated surplus (deficit) from operations represents funds available for use by the school jurisdiction after deducting funds raised at school-level.

13. CONTRACTUAL OBLIGATIONS

Estimated payment requirements for each of the next five years and thereafter are as follows:

	Buildin Project	_	Building Leases	ı	Service Providers
2014-15			\$ 36,000	\$	1,686,000
2015-16			39,000		1,720,000
2016-17					1,780,000
2017-18					
2018-19					
Thereafter					
	\$	-	\$ 75,000	\$	5,186,000

14. CONTINGENT LIABILITIES

The jurisdiction is a member of the reciprocal insurance exchange ASBIE. Under the terms of its membership, the jurisdiction could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange.

15. FEES

	2014	2013
Transportation fees	\$ -	\$ -
Fees charged for instruction material and supplies	966,142	859,369
School Generated Fund activity fees	491,046	559,596
Total	<u>\$ 1,457,188</u>	\$ 1,418,965

16. TRUSTS UNDER ADMINISTRATION

These balances represent assets that are held in trust by the jurisdiction. They are not recorded on the statements of the Division.

	2014	2013

Various parent groups, including societies and other associations, solicit donations and undertake fundraising activities to provide operating and capital donations to further the objectives of the School Division. The financial information of these groups is not consolidated in these financial statements as the Division has no control or significant influence in any of those entities.

18. RELATED PARTY TRANSACTIONS

All entities that are consolidated in the accounts of the Government of Alberta are related parties of school jurisdictions. These include government departments, health authorities, post-secondary institutions and other school jurisdictions in Alberta.

	Bala	ances	Transa	ctions	
	Financial Assets (at cost or net realizable	Liabilities (at amortized cost)	Revenues	Expenses	
Government of Alberta (GOA):
