Most agricultural inputs were reported to be in good supply for the month of September 2023 with some exceptions in some areas of the province. The prices reported are simple averages for the province in Canadian Dollars (\$) and are based on a survey conducted in the first week of each month.

\* Specification changed as of January 2012 \*\* New input as of January 2012 n/a Not available

Source: Alberta Agriculture and Irrigation, Intergovernmental and Trade Relations Branch, Statistics and Data Development Section, in partnership with Alberta Federation of Agriculture. For additional information, please phone: 780-644-1308.

Financial support for this project was provided under the Sustainable Canadian Agricultural Partnership, a federal-provincial-territorial initiative.
