Attachment 7

Process Flow Diagrams
LIST OF FIGURES

Figure ATT7-1: Process Flow Diagram PW Deoiling System #1 - Phase A
Figure ATT7-2: Process Flow Diagram PW Deoiling System #2 - Phase A
Figure ATT7-3: Process Flow Diagram Warm Lime Softener - Phase A
Figure ATT7-4: Process Flow Diagram PW Treatment System - Phase A
Figure ATT7-5: Process Flow Diagram Water Treatment Chemical Injection Phases A and B
Figure ATT7-6: Process Flow Diagram Deoiling System - Phase B
Figure ATT7-7: Process Flow Diagram Warm Lime Softener System - Phase B
Figure ATT7-8: Process Flow Diagram PW Treatment System - Phase B
Figure ATT7-9: Process Flow Diagram BFW and Once Through Steam Generation - Phase A
Figure ATT7-10: Process Flow Diagram Second Stage Once Through Steam Generation - Phase A
Figure ATT7-11: Process Flow Diagram BFW Chemical Injection System Phases A and B
Figure ATT7-12: Process Flow Diagram BFW and Once Through Steam Generation - Phase B
Figure ATT7-13: Process Flow Diagram Second Stage and Once Through Steam Generation - Phase B
Figure ATT7-14: Process Flow Diagram Gas Turbine and Heat Recovery Steam Generator - Phase A
Figure ATT7-15: Process Flow Diagram Gas Turbine and Heat Recovery Steam Generator - Phase B
Figure ATT7-16: Process Flow Diagram Oil Treating System - Phase A
Figure ATT7-17: Process Flow Diagram Produced Gas System Phases A and B
Figure ATT7-18: Process Flow Diagram Desand System - Phases A and B
Figure ATT7-19: Process Flow Diagram Oil Treatment Chemical Injection System - Phase A
Figure ATT7-20: Process Flow Diagram Oil Treating System - Phase B
Figure ATT7-21: Process Flow Diagram Oil Treatment Chemical Injection System - Phase B
Figure ATT7-22: Process Flow Diagram Slop Oil Treating System Phases A and B
Figure ATT7-23: Process Flow Diagram Diluent Tanks - Phases A and B
Figure ATT7-24: Process Flow Diagram Sales and Slop Oil Tanks Phases A and B
Figure ATT7-25: Process Flow Diagram Ejector System - Phases A and B
Figure ATT7-26: Process Flow Diagram Fuel Gas System - Phases A and B
Figure ATT7-27: Process Flow Diagram Glycol System - Phases A and B
Figure ATT7-28: Process Flow Diagram Storm Water and Blowdown Ponds - Phases A and B
Figure ATT7-29: Process Flow Diagram HP Flare System - Phases A and B
Figure ATT7-30: Process Flow Diagram Fire Water and Utility Water System - Phases A and B
Figure ATT7-31: Process Flow Diagram LP Flare System - Phases A and B
Figure ATT7-32: Process Flow Diagram Top Water Handling Facilities - Phases A and B
Figure ATT7-33: Process Flow Diagram Injection Air Compressor Packages - Phases A and B
Figure ATT7-34: Process Flow Diagram Scavenger Unit - Phases A and B
Figure ATT7-35: Process Flow Diagram Typical Well Pad ESP - SAGD
Figure ATT7-36: Process Flow Diagram Typical Top Water Dewatering Facilities
Process Flow Diagram
Diluent Tanks - Phases A and B
