Grants to Municipalities

Alberta Municipal Water/Wastewater Partnership

PROJECTS APPROVED IN THE YEAR 2008- as of April 30, 2008

Location	Project Description	Total Grant Amount
Warburg	Well/Pumphouse & Filtration Upgrades	\$421,406
Willingdon	2007 Water Treatment Plant Upgrades	\$65,280
Winfield	Municipal Water Well	\$45,000
Total:		\$28,304,452

Notes:

- 1) The above amounts represent the currently proposed grant allocation to each location under this program.
- 2) Funding is provided as a percentage of eligible approved project costs. For communities over 1,000 population (to a max. of 45,000) grant percentages are calculated by a formula. The percentage ratio declines as the population increases.
