

RECORD OF DECISION – CMOH Order 34-2021

2021 COVID-19 Response re: Stage 3 – Open for Summer Plan

Whereas I, Dr. Deena Hinshaw, Chief Medical Officer of Health (CMOH) have initiated an investigation into the existence of COVID-19 within the Province of Alberta.

Whereas the investigation has confirmed that COVID-19 is present in Alberta and constitutes a public health emergency as a novel or highly infectious agent that poses a significant risk to public health.

Whereas under section 29(2.1) of the *Public Health Act*, I have the authority by order to prohibit a person from attending a location for any period and subject to any conditions that I consider appropriate where I have determined that the person engaging in that activity could transmit an infectious agent. I also have the authority to take whatever other steps that are, in my opinion, necessary in order to lessen the impact of the public health emergency.

Whereas having determined that it is possible to modify certain restrictions while still protecting Albertans from exposure to COVID-19 and preventing the spread of COVID-19, I hereby make the following order:
