Dear Madam:

**Subject: Bradley Perrott – Public Fatality Inquiry
Response to Recommendation**

Please find enclosed a copy of the Honourable Judge V.H. Myers' report to the Minister of Justice and Solicitor General. This report will be publicly released on November 29, 2021.

The following recommendation made by His Honour may impact Alberta Health Services:

In a situation where an offender is under a Court ordered Probation Order to comply and follow his physician's treatments and prescriptions administered through FACS and/or AHS, that a process be established to inform Probation of:

1. What prescriptions/treatments/assessments and/or counselling have been prescribed to the patient/client and;
2. In what form (email/letter/phone etc.) FACS would use to inform Probation of non-compliance and;
3. At what point in time after the non-compliance FACS would inform Probation.

I ask that you please advise the following:

1. Whether Alberta Health Services accepts in principle, does not accept, or has a different response to the recommendation;
2. A brief explanation of why that decision was made; and

3. If Alberta Health Services intends to accept the recommendation, or to implement different measures, what steps will be taken in that regard.

A response to this enquiry is not mandatory. However, be advised that any response received will be publicly released and posted on the Open Government Portal:

<https://open.alberta.ca/opendata/responses-to-public-fatality-inquiry-recommendations>.

If a response has not been received by March 29, 2022 (four months after the public release date), that information will also be made publicly available.

Thank you for your cooperation in this matter.

Yours truly,

Original Signed
