Dear Madam:

**Subject: Alexandru Gabriel Radita – Public Fatality Inquiry  
Response to Recommendation**

---

Please find enclosed a copy of the Honourable Justice S.L. Van de Veen's report to the Minister of Justice. This report will be publicly released on March 25, 2024. Please do not share the contents of the report in any manner that would cause it to become available publicly prior to this date.

The following recommendations made by Her Honour may impact Alberta Health Services:

1. It is recommended that Alberta Health Services initiate professional dialogue between traditional medical practitioners and natural medical practitioners in an attempt to create more reliable public health information and eliminate misinformation which undermines public health.

I ask that you please advise the following:

1. Whether Alberta Health Services, accepts in principle, does not accept, or has a different response to the recommendation;
2. A brief explanation of why that decision was made; and
3. If Alberta Health Services intends to accept the recommendation, or to implement different measures, what steps will be taken in that regard.

A response to this enquiry is not mandatory. However, be advised that any response received will be publicly released and posted on the Open Government Portal:

<https://open.alberta.ca/opendata/responses-to-public-fatality-inquiry-recommendations>.

If a response has not been received by July 25, 2024, (four months after the public release date), that information will also be made publicly available.

Thank you for your cooperation in this matter.

Yours truly,

*Abid Mavani*
