

Monthly Livestock Slaughter Summary

December 2016

MONTHLY LIVESTOCK SLAUGHTER SUMMARY

The following tables provide a summary of Canadian and U.S. livestock slaughter by month for the current year, with comparisons to a year ago. Also included is a cumulative year-to-date (YTD) figure, as well as quarterly and annual tabulations.

All of this data is available on a monthly basis for the period 1961 - date. Anyone interested in obtaining a special tabulation may do so by forwarding such requests to the Statistics and Data Development Section of Alberta Agriculture and Forestry.

Data sources are as follows:

CANADA: Slaughter data -- Canadian Beef Grading Agency
USA: "Livestock Slaughter" -- National Agricultural Statistics Service; USDA

The entire data series refers to "Federally Inspected Slaughter" with the exception of Canadian hog and sheep slaughter volumes, which include provincially inspected slaughter.

Readers are welcome to forward suggestions for improvement and/or expansion of the data series to:
