Source: Statistics Canada, International Travel Survey.

Estimates for 2013 and 2014 are not comparable with previous years (2012 and earlier) or 2015, as Statistics Canada made a major file structure change in 2013 and 2015.

Data was suppressed so that the 2013 and 2014 data has considerably less detail than what was available in 2012 and earlier. From 2013, US data is not available by State, but by region.

**The U.S. regions consists of the following:**

**New England** (Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, Vermont)

**Middle Atlantic** (New Jersey, New York, Pennsylvania)
