Conjunctivitis (commonly known as pink eye)	YES	NO
<p>If the child answered “YES” to ONE symptom in question 3:</p> <ul style="list-style-type: none"> Keep your child home and monitor for 24 hours. If their symptom is improving after 24 hours, they can return to school and activities when they feel well enough to go. Testing is not necessary. If the symptom does not improve or worsens after 24 hours (or if additional symptoms emerge), use the AHS Online Assessment Tool or call Health Link 811 to check if testing is recommended. <p>If the child answered “YES” to TWO OR MORE symptoms in question 3:</p> <ul style="list-style-type: none"> Keep your child home. Use the AHS Online Assessment Tool or call Health Link 811 to determine if testing is recommended. Your child can return to school and activities once their symptoms go away as long as it has been at least 24 hours since their symptoms started. <p>If the child answered “NO” to all questions:</p> <ul style="list-style-type: none"> Your child may attend school, child care and/or other activities. 		

Please note: If your child is experiencing any symptoms from the lists above, do not bring them to visit a continuing care or acute care facility for 10 days from when symptoms started/until symptoms resolve (whichever is longer), unless they receive a negative COVID-19 test result and feel better.

COVID-19 INFORMATION

COVID-19 ALBERTA HEALTH DAILY CHECKLIST (FOR ADULTS 18 YEARS AND OLDER)

Overview

This tool was developed to support schools, activity organizers, employers, businesses and facility operators in reducing the risk of transmission of COVID-19 among attendees/staff. The tool is meant to assist with assessing attendees who may be symptomatic, or who may have been exposed to someone who is ill or has confirmed COVID-19.

Attendees should complete this checklist prior to participating in the activity or program.

If an individual answers **YES** to any of the questions, they **must not** be allowed to attend or participate in the activity or program. *Individuals with fever, cough, shortness of breath, runny nose, or sore throat, are required to isolate for 10 days per [CMOH Order 05-2020](#) **OR** receive a negative COVID-19 test and feel better before returning to activities.

Use the [AHS Online Assessment Tool](#) to determine if testing is recommended and follow information on [isolation requirements](#).

As the COVID-19 pandemic continues to evolve, this screening tool will be updated as required.

Screening Questions

		CIRCLE ONE	
1.	Does the attendee have any new onset (or worsening) of any of the following symptoms:
