<b>Subject:</b> Business Cost Program Payment Rate Increase	<b>Reference:</b>	

## To: All practitioners,

The Ministry of Health will increase the Business Cost Program (BCP) payment rate from \$2.95 to \$3.59 effective April 1, 2022. Current BCP program assessment rules remain the same. **The change will be implemented on December 16, 2022.**

For services provided on and after December 16, 2022

- New rate \$3.59 will be directly applied to the assessment and payment.

For services provided before December 16, 2022

- Retroactive payment will be calculated for services provided from April 1, 2022 to December 15, 2022 and distributed to each Business Arrangement at a later date. Details will be communicated in future bulletins.
