

Portage College Mandate

Portage College is a public, board-governed college operating as a Comprehensive Community Institution under the authority of the *Post-secondary Learning Act* of Alberta. Portage College has campus locations in Lac La Biche, Cold Lake, St. Paul, Bonnyville, Frog Lake, Saddle Lake, Vegreville, Wainwright, and Whitefish Lake.

In addition to delivering Apprenticeshipable Trades Training, Portage College offers certificate and diploma programs in diverse areas, including Forestry, Natural Resources, Business, Pre-Hospital Care, Health and Wellness, Culinary Arts, Human Services, Native Arts and Culture, University Studies, and Power Engineering. The College also offers academic upgrading, pre-employment trades training, continuing education credit and non-credit courses, and cost recovery customized training programs.

Portage College encourages applied research focussing on improvement of rural education and supports scholarly activity strengthening our understanding of rural communities. College personnel model established ethical principles guiding all research involving human subjects. College students' community-based and applied research practices adhere to the same code of respectful engagement. Portage College embraces every opportunity to collaborate with communities when conducting research identifying economic development and learning needs.

As a member of Campus Alberta, Portage College works with eCampusAlberta, Alberta-North, and Community Adult Learning Councils to make the broadest selection of education and training available in the region. Portage College expands its program offerings through articulation and transfer agreements, program delivery collaborations, brokering arrangements, and strategic partnerships.

As a Comprehensive Community Institution, Portage College stewards adult education and training offerings in its geographic service region in alignment with the strategic planning initiatives of the Government of Alberta. Portage College undertakes in-depth consultation with all of its community stakeholders, including community adult learning providers, school districts, current and past students, service and industry employers, Program Content Advisory Committees, and municipal and Aboriginal leaders.

Portage College excels in designing and delivering programs responding to the learning needs of students and local employers. Portage programs utilize leading-edge learning technologies and are offered in multiple instructional modalities, including traditional face-to-face, off-site video-conferencing, and distributed self-paced learning. The College's blended learning offerings, mobile trades training units, outreach programming, and service to small cohorts demonstrate its ability to make both instruction and learning supports readily available to students at times and places convenient to them. The College offers learning assistance programs and dedicated learner support services addressing the needs of disadvantaged learners.

Portage College works to maximize learning opportunities that support the economic growth and human development needs of diverse northeast communities. A focus on community-based learning enables the College to partner with municipalities, First Nations Reserves, Métis Settlements, and school divisions for the provision of access to learning and recreation facilities, counseling, and library services. Portage College values collaboration and community-based volunteerism supporting quality learning and life opportunities in rural Alberta.

Portage College provides education and employment training programs that instill a passion for lifelong learning, promote personal wellness, develop appreciation for cultural diversity, and inspire social engagement.
