

Minister's Youth Council

Fact sheet

Overview

The Minister's Youth Council is a group of approximately 40 junior and senior high students across Alberta, aged 14 to 19, who provide input to the Minister of Education and government staff on provincial education initiatives. Council members bring diverse interests, identities, backgrounds and perspectives from across the province.

Member expectations

Working at the provincial level, all council members will:

- be active and responsible members;
- attend all meetings;
- share diverse student perspectives with the Minister of Education;
- work with one another and Alberta Education staff to provide input on education topics

Time commitment

Council members will serve a 10-month term, aligned with the school year. They will attend three meetings in:

- Fall

- Spring

Each meeting will begin on a Friday evening and run through to Sunday afternoon or evening. Meetings may take place virtually and/or in person. Council members will be notified in advance.

For in person meetings, travel home will take place on Sunday, where possible, and Monday, where necessary.

Note: Dates may be subject to change.

Travel arrangements

All travel and accommodation needs will be handled by the government, including booking and payment.

Chaperone commitment

An adult chaperone will meet you when you arrive in Edmonton to ensure you get to the meeting location and accommodations safely. At the end of the meeting, a chaperone will accompany you to the airport or bus station for your return home.

Government staff, including certificated teachers, will provide supervision at all times. There will be one adult chaperone for every eight students.

Guidelines and expectations

To ensure a welcoming, caring, respectful and safe environment for all, council members and their parents or legal guardians will be made aware of expectations for student behaviour and conduct, including the responsible use of technology.

Council members will receive information to understand their responsibilities and, with their parents or legal guardians, will be required to sign an acknowledgment of behaviour and conduct expectations.

Accommodations for special needs

Accommodations will be provided by government staff according to students' specific circumstances.

Free time

For in-person meetings, all council members will remain at the meeting venue throughout the weekend. In addition to council work, a variety of recreational activities may be included. Supervision will be provided at all times.
