**Caution to Trail Users:** The designated trails in Bob Creek Wildland should be considered rustic or unimproved and may, from time to time, present obstacles and challenges to users due to weather related conditions, blow downs, etc. The trails also have steep sections where caution must be exercised. It is recommended that users travel in groups.

**Map Disclaimer:** This map is intended to provide a general orientation. If you are planning extensive hiking or horseback riding within these areas, you might want to purchase proper topographic maps from a map dealer for most accurate navigation information.
