## **UPDATE: ASIRT investigates RCMP officer-involved shooting in Redcliff**

In the early morning hours of October 6, 2014, a man attended the Redcliff RCMP Detachment. When approached by police, he produced and pointed what appeared to be a firearm. An RCMP officer shot and injured the man, who currently remains in hospital in critical but stable condition. ASIRT investigators responded to the scene and have seized the firearm produced; a black Smith and Wesson 177 caliber BB gun, below.

No further information will be released at this time. ASIRT continues to investigate.
