The Honourable Todd Loewen  
Minister of Forestry, Parks and Tourism  
Government of Alberta

Dear Minister Loewen,

I want to thank you for your service to Albertans, and congratulations on your new role as Minister of Forestry, Parks and Tourism.

Our Cabinet faces an extraordinary task: to deliver on a clear and bold mandate in a limited period of time. Albertans are counting on us and they rightfully expect their government to address the challenges they are facing with our full attention and action.

First, I ask you to keep the inflation and affordability crisis top of mind. Affordability is the primary challenge facing Albertans today and as a government we will ensure that Alberta families are able to manage through this storm by taking decisive action in the coming weeks and months.

Second, our Cabinet must continue to have a laser focus on job creation and strengthening Alberta's economy. No matter what the industry, we must continue the good work of diversifying our economy through job creation to ensure all Albertans and their families can prosper.

Third, the challenges facing our healthcare system mean Albertans are not getting the necessary care they need when and where they need it. We will ensure all areas of the province receive prompt and efficient ambulance service. Our government will also act quickly to bring substantive improvements to emergency room services and clear surgical backlogs.

Finally, I expect our Cabinet to remain united and determined in the face of a federal government that no longer treats its partners in Confederation as equals. We must proactively protect Albertans from continued federal government overreach, including hostile economic policies that landlock our provincial resources, that chase billions in investment and thousands of jobs from our province, and that are detrimental to the short-term and long-term prosperity of Albertans.

While we may face challenges, I nonetheless have full confidence that our government can and will address these matters to secure a province that remains a safe haven for those seeking economic opportunity, prosperity, and freedom.

Under your leadership as Minister of Forestry, Parks and Tourism, I expect you to work closely with your Cabinet and caucus colleagues and the public service through the committee, Cabinet, and legislative processes to deliver on commitments to support Albertans, including:

- Develop a plan with industry to use active forestry and grasslands management techniques to maintain the health and biodiversity of our provincial lease lands and provide nature-based solutions for carbon sequestration.
- Develop a clear and environmentally responsible policy framework for developing more campgrounds, recreation and tourism opportunities on provincial lands.
- Invest in our campgrounds and trails to ensure there are sufficient high quality and low cost recreation sites for Albertans.
- Shorten timelines for approval of permits and licences in all areas of the ministry.
- As the lead, work with the Minister of Trade, Immigration and Multiculturalism to establish an expedited tourism and hospitality immigration stream.
- Explore the best way to improve infrastructure and services in Kananaskis, Canmore, Waiparous Creek, Crowsnest Pass and other high tourist traffic areas.
- Complete establishing Big Island Provincial Park.
- In regards to the Fish Creek/Bow Valley Park Agreement Renewals, renew agreements with stakeholders and community groups that are reasonable, equitable, and allow for improvement of services.
- Assess the advantages of having the full four per cent of the tourism levy invested in tourism related growth initiatives with Travel Alberta.
- Initiate discussions with federal counterparts to ensure all of the fees generated from Alberta national parks remain in Alberta to improve infrastructure and amenities in the parks.
- Work with the Parliamentary Secretary for Tourism, Miranda Rosin, to develop and begin implementing a long-term tourism strategy.

Your deputy minister and other senior officials in your ministry will support these priorities with the highest standard of professionalism and integrity. Alberta's public service will provide you with non-partisan advice and loyal implementation of your mandate. As I mentioned, our ability to support Albertans in the coming months will require you to work respectfully with your officials, and often with tight timelines.

I expect all ministers and their staff to conduct themselves in all matters with the highest standards of integrity and ethical behaviour. I expect you to be aware of, and to be fully compliant with, Alberta's *Conflicts of Interest Act*, and that all ministers will protect the significant trust that Albertans have placed in our government.

We will come through this difficult and challenging period in Alberta's history, so let us work together to fulfill and exceed our mandate on behalf of the good people of

this great province. I am honoured to be working with you to build a stronger and more prosperous Alberta.

Thank you,
