Notes:

- 1) The above amounts represent the proposed grant allocation to each municipality for the current calendar year.
- 2) Then grants are based on a formula incorporating length of open roads, population, terrain, and equalized assessment. The grants provide up to 100% Government cost-sharing for eligible projects.
- 3) While every effort is made to ensure that this information is correct, the amounts shown are for general information only and may or may not coincide with the actual grant payment(s) made to the municipality.
- 4) The grant amounts are subject to verification by the Provincial Auditor General.
