GreenTRIP Submission Procedures and Guidelines

APPENDIX G - USEFUL LINKS

This Appendix contains a partial listing of supplementary information sources and design guidelines that may be of assistance in developing acceptable and sustainable infrastructure projects.

The following are links to selected sample background papers referencing the role of public transit in climate change and greenhouse gas reduction. These or other similar papers may be of interest to applicants under GreenTRIP.

- Canadian Urban Transit Association (CUTA)
<http://www.cutacta.ca/>
- American Public Transportation Association (APTA),
<http://www.apta.com/resources/hottopics/sustainability/Documents/Transit-Sustainability-Guidelines.pdf>
http://www.apta.com/resources/reportsandpublications/Documents/greenhouse_brochure.pdf
- U.S. Department of Transportation, Federal Transit Administration
<http://www.fta.dot.gov/index.html>
