

Seating Approved Product List

- ◆ The Seating Approved Product List updated effective May 1, 2015.
 - ◆ Price changes are highlighted in yellow.
- ◆ The approved product list is published at:
<http://www.health.alberta.ca/documents/AADL-Manual-X-Products.pdf>
- ◆ AADL will only fund the full amount for fixed lateral supports for the Jay SureFit system. The difference in cost for the Swing-away option will now be considered an upgrade.
- ◆ Catalogue numbers I229/X190 are intended for custom fit system. Commercial systems with non-custom components should be authorized using the Generic Catalogue Numbers. Please contact AADL for clarification if required.
- ◆ For X964 - Level I repairs. AADL will no longer accept EI forms. Repairs to commercial seating will continue to be funded when authorized by an AADL Authorizer.
