

Pediatric Standing Frame Benefits Working Group

AADL is looking for interested stakeholders to participate in a working group to discuss and review issues regarding AADL Pediatric Standing Frame benefits.

Working group members will be providing input on current use, outcomes, best practice, and criteria for pediatric standing frames.

AADL is seeking members who represent:

- ◆ Home and community care
- ◆ Tertiary care - specialized hospital-based services
- ◆ School-based programs

Members will serve for approximately two to three months; the working group will end by April 15, 2016.

If you are interested, please submit a short statement of interest to Jacki Whitford, Program Manager for Mobility and Large Equipment at jacki.whitford@gov.ab.ca.

The statement should include the following information:

- ◆ Previous experience with standing frames
- ◆ Details about your current clinical position
- ◆ Availability

Statements of Interest will be accepted until **February 5, 2016**.
