Bulletin #42

Information for Authorizers of Medical Surgical Benefits

Effective January 17, 2017 a new reassessment letter will be used to advise AADL medical surgical clients that they need to book a reassessment with an AADL Authorizer.

Once this form is completed the Authorizer must provide a copy of the form to the client, send a copy to AADL and keep the original on the client file. This new process is meeting the requirement to inform the client in writing of the outcome of the reassessment process.

AADL will be holding a Q&A session on January 23 at 9:00 am for Authorizers of Medical Surgical supplies about the new process. To register for this session, email Andrea at Andrea.Waywanko@gov.ab.ca. Please include your authorizer number. You will be sent call-in information approximately one week prior to the session.
