

Changes to Seating Benefits

To All Vendors and Authorizers:

Effective September 23, 2013:

Seating Services utilizing Alberta Health Services Seating Vendors must include the manufacturer invoice or quote for prior approval requests.

- The process for Seating Services utilizing a private Seating Vendor remain unchanged. Continue to submit the specification sheets or order form to AADL for prior approval
- Refer to the flowchart attached for the updated Seating Authorization Process.
- The AADL Seating Vendor List is available at:
<http://www.health.alberta.ca/documents/AADL-Vendors-Seating.pdf>.

Effective immediately:

AADL has updated the Seating Approved Product List (APL) to include new generic catalogue numbers.

- This benchmark pricing model is intended to increase seating product options to best serve a fuller range of client needs.
- Please refer to the updated Program Manual and APL for more information.
- A Q&A session will be scheduled for late October 2013 to discuss these changes.

For more information, please contact Kyle Duplessis, AADL Manager, Prosthetics, Orthotics and Seating, at kyle.duplessis@gov.ab.ca or phoning 780-422-8487 or toll-free in Alberta by dialing 310-0000, then 780-422-8487 when prompted.
