

DEPARTMENT OF TRANSPORTATION  
REGISTRAR'S APPROVAL AND EXEMPTION

**REGISTRAR'S APPROVAL**

The Registrar accepts a trip inspection report in a legible electronic format, pursuant to section 12(3)(b) of the Commercial Vehicle Safety Regulation (CVSR), AR 121/2009.

It is the responsibility of the carrier to ensure their electronic trip inspection report format is fully compliant to the specifications listed in the CVSR and this approval by the Registrar.

Upon demand of a peace officer or representative of the Registrar, a driver who carries a daily inspection report, under-vehicle inspection report, or inspection schedule in electronic format shall produce an electronic display of the report or schedule, which must be readable from outside the vehicle.

At the request of a peace officer or representative of the Registrar, a driver who carries a daily inspection report or an under-vehicle inspection report in electronic format shall surrender:

- (a) a printed copy or a handwritten copy of the report signed by the driver; and
- (b) a printed copy of the schedule.

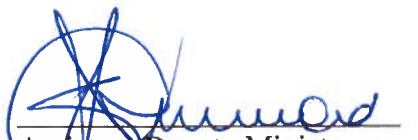

A peace officer or representative of the Registrar may allow the driver to send the required documents by fax or email to the inspection location. Such documents received by fax or email and subsequently printed shall be signed by the driver attesting to its accuracy.

**REGISTRAR'S EXEMPTION**

The Registrar exempts persons from the signature requirement under section 12(4)(h) of the CVSR for a trip inspection report in a legible electronic format.

This exemption expires on December 1, 2019
