

PHYSICAL DISTANCING TIPS

FOOD-SERVING FACILITIES

When out in public, practicing physical distancing by staying at least 2 metres from others can help you reduce your risk by minimizing contact with others in the community.

Dine-in services at all restaurants, cafes, coffee shops, food courts and other food-serving facilities are prohibited.

Take-out, delivery and drive-through services are still allowed.

No gatherings with more than 15 people are allowed.

If necessary to gather:

- Maintain distance of at least 2 metres between patrons
- Use hand sanitizer pre- and post-drinks, snacks and meals
- Use utensils (do not use your hands to eat finger food, sandwiches, etc.)
- Use a napkin for pump dispenser condiments (ketchup, etc.)
- Do not eat from open snack dishes (e.g. peanuts, candy)
- Do not share dishes and drinks
