Order Respecting Environmental Appeals Board Appeals Nos. 17-052-053

With respect to the decision of the Director, Regional Compliance, South Saskatchewan Region, Alberta Environment and Parks (the "Director"), to issue Enforcement Order No. WA-EO-2017/05-SSR (the "Enforcement Order") to Tollestrup Construction (2005) Inc. and Honey Holdings Ltd., I, Jason Nixon, Minister of Environment and Parks, order that:

1. The decision of the Director to issue the Enforcement Order is varied as follows:
 - (a) Condition 1 is repealed and replaced with the following:

"On or before 18 months from the date of the Minister's order, submit to the Director for approval, a written decommissioning plan for the delineation, removal and remediation of the Berm (the "Decommissioning Plan");"
 - (b) Condition 2 is repealed and replaced with the following:

"The Decommissioning Plan must be authenticated by a Professional Engineer registered and in good standing with the Association of Professional Engineers and Geoscientists of Alberta;"
 - (c) Condition 4(e) is repealed and replaced with the following:

"River modelling results of the remediated site (after removal of the Berm and any final contouring of areas previously occupied by the Berm) confirming no changes to existing flood hazard mapping models for the Oldman River;"
 - (d) Condition 4(f) is repealed and replaced with the following:

"A schedule of implementation of the plan with a start date three months from the date of the approval of the Decommissioning Plan and a completion date subject to the Director extending the date further."
 - (e) Condition 6 is repealed and replaced with the following:

"Within 90 days of completion of the requirements of the Decommissioning Plan subject to the Director extending it further, the Parties shall submit to the Director for approval a verification report describing the work undertaken to comply with this order ("the Verification Report");"
 - (f) Condition 7 is repealed and replaced with the following:

"The Verification Report must be authenticated by a Professional Engineer registered and in good standing with the Association of Professional Engineers and Geoscientists of Alberta."
