# Incontinence Supplies

Vendors who have an agreement to supply incontinence products must adhere to the following:

- only provide products that are on this list
- offer clients a choice of products that meets Alberta Aids to Daily Living (AADL) generic description and product standards at or below AADL's benchmark price
- only provide two months' supply at a time

Vendors/manufacturers interested in having products added to the incontinence supplies approved Product List may submit product absorbency information and samples to AADL for review.
