AADL Product List – Incontinence Supplies List

Effective December 1, 2017

Revised January 22, 2020

AADL Product List – Incontinence Supplies List

Vendors who have an agreement to supply incontinence products must adhere to the following:

- Only provide products that are on this list.
- Offer clients a choice of products that meets AADL generic description and product standards at or below AADL's benchmark price.
- Only provide two months' supply at a time.

Vendors/manufacturers interested in having products added to the Incontinence Supplies List may submit product absorbency information and samples to AADL for review.
