

Bighorn Sheep Hunting Allocations

2022 BIGHORN SHEEP HUNTING ALLOCATIONS

(# of Licences Available by Wildlife Management Unit (WMU))

Note: Outfitter allocations for 2022 may be higher in some WMUs than the "Standard" allocations they typically receive each year. The increase for 2022 is based on deferrals of a limited number of allocations as part of the governments support measures provided to Alberta Professional Outfitters Society to mitigate impacts of travel restrictions related to COVID-19 on their industry. For transparency, the table below provides the allocations outfitters will receive in 2022, as well as the allocations outfitters receive in a standard year.
