

# Bighorn Sheep Allocations for the 2024 Hunting Season

## 2024 BIGHORN SHEEP ALLOCATIONS

(# of Licences Available by Wildlife Management Unit (WMU))

Note: Outfitter allocations for 2024 may be higher in some WMUs than the "Standard" allocations they typically receive each year. The increase for 2024 is based on deferrals of a limited number of allocations as part of government support measures provided to Alberta Professional Outfitters Society to mitigate the impacts of COVID-19 related travel restrictions on their industry. For transparency, the table below provides the allocations outfitters will receive in 2024, as well as the allocations outfitters receive in a standard year.
