## Independent Auditor's Report

To the Minister of Municipal Affairs

### Report on the Financial Statements

I have audited the accompanying financial statements of Improvement District No. 12, which comprise the statement of financial position as at December 31, 2016, and the statements of operations, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of Improvement District No. 12 as at December 31, 2016, and the results of its operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

**IMPROVEMENT DISTRICT NO. 12**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended December 31, 2016**

**Note 1      Authority**

Improvement District No. 12 (the Improvement District) is administered by the Ministry of Municipal Affairs (Alberta Municipal Affairs) and operates under the authority of the *Municipal Government Act*, Chapter M-26, Revised Statutes of Alberta 2000.

**Note 2      Significant Accounting Policies**

These financial statements reflect the financial position, results of operations, net financial assets and cash flows of Improvement District No. 12 as at and for the year ended December 31, 2016 and have been prepared in accordance with Canadian Public Sector Accounting Standards.

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and reported amounts of revenue and expense during the period. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

Revenue Recognition

Taxation revenue is recorded at the time the tax billings are issued. Taxation billings are subject to appeal.

**IMPROVEMENT DISTRICT NO. 12  
NOTES TO THE FINANCIAL STATEMENTS  
For the year ended December 31, 2016**

**Note 2 Significant Accounting Policies (continued)**

Revenue Recognition (continued)

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction and are not expected to be repaid in the future or as a result of a direct financial return. These transfers are recognized in the financial statements as revenue when the transfer is authorized, and any eligibility criteria or stipulations have been met. Prior to revenue recognition, any amounts received or receivable, along with restricted interest earned are recorded as deferred revenue.

Valuation of Financial Assets and Liabilities

Cash and cash equivalents, grants receivable, and accounts payable and accrued liabilities are measured at cost which approximates fair value due to their short term nature.

**Note 3 Cash and Cash Equivalents**

Cash and cash equivalents consists of deposits in the Consolidated Cash Investment Trust Fund (CCITF) of the Province of Alberta. The CCITF is managed with the objective of providing competitive interest income to depositors while maintaining appropriate security and liquidity of depositors' capital. The portfolio is comprised of high quality short-term securities with a maximum term to maturity of three years. As at December 31, 2016, securities held by the fund had a rate of return of 0.89% per annum (December 31, 2015 - 0.93% per annum).

The debt service limit is 0.25 times this same revenue amount.

**Note 10 Financial Instruments**

The Improvement District's financial instruments consist of cash and cash equivalents, grants receivable, investments, and accounts payable and accrued liabilities. It is management's opinion that the Improvement District is not exposed to significant interest or currency risks arising from these financial instruments.

The Improvement District does not hold equities in an active market nor engage in derivative contracts or foreign currency transactions.

The Improvement District is subject to credit risk with respect to grants receivable. Credit risk arises from the possibility that taxpayers and entities to which the Improvement District provides services may experience financial difficulty and be unable to fulfill their obligations. The large number and diversity of taxpayers and customers minimizes the credit risk.
