# Outcome Three: Alberta's education system is inclusive

The ministry enables children and students to pursue personal excellence and social and emotional development during their education. An inclusive education system is established when the system anticipates and values diversity, understands learners' strengths and needs, and reduces barriers to promote a culture of well-being through effective and meaningful collaboration with partners. This enables children and students to be supported in their learning.

Perf	ormance Measures	13-14 (%)	14-15 (%)	15-16 (%)	16-17 (%)	Target 17-18 (%)	Current Result <sup>1</sup> (%)	5-Year Trend <sup>2</sup>
