

Alberta Tourism Market Monitor December 2020

Please note: Alberta announced the first case of COVID-19 on March 5 and declared a public health state of emergency on March 17, 2020. All non-essential businesses were asked to close on March 27, 2020. Alberta's phased relaunch began on May 14, 2020. All Parks Canada facilities were temporarily closed from March 25, 2020, and opened for day use on June 1, 2020. All provincial parks closed on March 17 and reopened on May 14, 2020. The Royal Alberta Museum and Royal Tyrrell Museum opened on May 16 and 22, respectively while another five historical sites opened on June 20, 2020. A second public health state of emergency was declared on November 24, 2020.

^aAll Parks Canada facilities temporarily closed on March 25, 2020 and re-opened for day visitors on June 1, 2020. All provincial parks, historic sites and museums closed on March 17, 2020 and remained closed in April, 2020.

^bThe number for January 2020 was a calculated average.

^cA new border kiosk was placed on the NT/AB border just south of Fort Smith to track the number of people visiting Wood Buffalo National Park. Data for June-Nov were revised and updated.

^dClosed properties were not included. More reference can be found here: https://f.tlcollect.com/fr2/520/46295/CBRE_Hotels_Canadian_Hotel_Industry_Outlook.mp4.

^eOther Alberta includes Lethbridge, Red Deer and other Alberta communities.

^fPer STR's data reporting guidelines, they only close properties if they were closed for a full calendar month (i.e. March 1 – March 31). If a property was open March 1-14, but closed March 15-31, they would consider that property open for the full month. STR's full Data Reporting Guidelines are available here: https://str.com/sites/default/files/2019-11/str-data-reporting-guidelines-english_0.pdf.

^gThe Royal Alberta Museum reopened on May 16, 2020. The Royal Tyrrell Museum reopened on May 22, 2020. Frank Slide, Reynolds, Remington Carriage Museum, Oil Sands Discovery Centre and Ukrainian Village opened on June 20, 2020

^hAll reservations made in Jan-March were cancelled and refunded due to COVID-19. On May 14, Alberta entered Stage 1 of Alberta's Relaunch Strategy, with ReserveAlbertaParks.ca (RAP) relaunching at 50% capacity. On June 12, Alberta entered Stage 2 of Alberta's Relaunch Strategy, with campgrounds moving toward 100% capacity across the system by July 1. Group Camping Reservations opened on July 14.

Note: New monthly figures are shown in bold type. Revisions will be bolded.

r=revised p=preliminary

1. Air Passengers - Numbers are preliminary estimates of air passenger arrivals and departures at the Edmonton International and Calgary International Airports. Since September 2015, total domestic passengers at Fort McMurray International Airport has been added, which comprise commercial and charter passengers.

Source: Edmonton International Airport, Calgary International Airport and Fort McMurray International Airport websites.

2. Highway Traffic - These are monthly totals. The monthly average daily traffic (average number of vehicles per day) is calculated by dividing the monthly total by the number of days in the month passing the counter locations and in the direction indicated for a particular month. Automatic Traffic Recorders count all vehicles by direction. Year to date is a cumulative total for all vehicles.

Source: Alberta Transportation's Automatic Traffic Recorders (ATR). <https://www.alberta.ca/highway-traffic-counts.aspx>

3. National Park Attendance - Attendance is reported as the number of visits to National Parks in Alberta. Data are preliminary unless otherwise noted.

Banff National Park and Jasper National Park reflect independent travellers only and do not include people travelling as part of a tour group. Tour group data is included in the annual edition of Market Monitor.

Source: Parks Canada.

4. Employment Food and Accommodation Sector - The employment figure represents all persons who worked for pay, profit or unpaid work in the food services and accommodation sector, including businesses or other ventures owned or operated by a related family member(s) during the reference period of the survey. The year-to-date total is an average for the year.

5. Accommodation Indices for Major Regions - Occupancy rates and average daily room rates are based on monthly averages of all reporting hotels, motels and motor hotels in each designated region. Alberta Resorts includes the resort communities of Banff, Lake Louise, Kananaskis, Canmore and Jasper.

Revenue per available room is calculated using the occupancy rate and average daily room rate.

6. Accommodation Indices for Selected Cities or Towns - Destination reports are publications of Smith Travel Research Inc. (STR). Terms and conditions governing the ownership, distribution and use of these Destination Reports and their contents include that no historic data can be published, only current month and year-to-date data.

Source: STR, LLC. Republication or other re-use of this data without the express written permission of STR is strictly prohibited.

7. Food Services and Drinking Places - The monthly survey of Food Services and Drinking Places provides estimates of the value of sales and the number of locations of restaurants, caterers, and drinking places by province and by industry at the North American Industry Classification System (NAICS) four-digit level. Includes total receipts from restaurants, caterers and taverns for chain and independent establishments. The target population is the three-digit NAICS level of 722, which includes: full-service restaurants, limited service eating places, special food places and drinking places. The year-to-date total is an average for the year.

11. Major Hotel Projects in Alberta - This is the inventory of hotel projects in Alberta, including new hotels and renovations valued at \$5 million or greater. It is not a complete list of hotel projects. The project stages included in the reported number are: announced, under construction and completed. If the project is completed, it will be removed from the inventory after 30 days from completion. More information on other tourism and recreation projects is available on the website provided below.

12. Alberta Provincial Parks Campsite Reservations - Individual campsites, group camping areas, comfort camping and backcountry camping reservations are included. Note that reservation statistics reflect the month the reservation was made, and not the date of stay. Only sites available on the Reserve.AlbertaParks.ca are captured. Non-reservable sites that are First Come First Served and sites available for phone-in reservation only are not captured and thus not reflected.
