Seniors Financial Assistance programs

Who is eligible

This package allows you to apply for the following Seniors Financial Assistance programs:

- Alberta Seniors Benefit
- Dental and Optical Assistance for Seniors
- Special Needs Assistance for Seniors

You are eligible to apply for the Seniors Financial Assistance programs, if you meet all of the following criteria:

- You are 65 years of age or older.
- You have lived in Alberta for at least three months before applying.
- You are a Canadian citizen, or have been admitted into Canada for permanent residency (landed or sponsored immigrant).
- You and your spouse/partner have not chosen to defer receipt of the Old Age Security pension.

To apply for these programs, complete the enclosed application form, attach photocopies of all applicable documents and forward to Seniors Financial Assistance using the enclosed return envelope or one of the options described on page 11.

Once your Seniors Financial Assistance application has been processed, a letter will be sent to you to inform you what programs you are eligible for.

Benefit year

Your previous year's income will be used to determine benefits for the benefit year, which runs from July 1 of the current year to June 30 of the next year.

Proof of income

You must provide proof of income to determine if you are eligible for the following Seniors Financial Assistance programs: Alberta Seniors Benefit, Dental and Optical Assistance for Seniors and Special Needs Assistance for Seniors.

With your consent, your income information will be obtained directly from the Canada Revenue Agency. Only the income sources that are needed to determine your eligibility will be collected.

Alberta Seniors Benefit program

The Alberta Seniors Benefit program is a monthly benefit paid to seniors with an annual income of \$28,785 or less, or a senior couple with a combined annual income of \$46,745 or less. These income levels are guidelines only, and are for seniors whose income includes full Old Age Security pension. The benefit is determined by:

- the type of accommodation you live in
- your marital/cohabitation status
- your income (combined with your spouse/partner's income if applicable)
- receiving the federal Old Age Security pension (i.e., having lived in Canada for 10 years)

Maximum benefit available

Accommodation and Marital/Cohabitation Status	Maximum Annual Benefit (if eligible for Old Age Security)
Homeowner, Renter or Lodge Resident	
Single Senior	\$3,431
Senior Couple	\$5,146
Other Residence Categories	
Single Senior	\$2,390
Senior Couple	\$4,779

Supplementary Accommodation Benefit

The Supplementary Accommodation Benefit supports eligible seniors who reside in a designated supportive living or long-term care facility with monthly accommodation charges. The amount received is determined by:

- your personal income from all sources (line 15000 of the previous year's income tax return) combined with your spouse/partner's income (regardless of age)
- the maximum monthly accommodation charge in designated supportive living and long-term care as set by Alberta Health
- the monthly disposable income amount of at least \$322 (this amount may be used for personal expenses such as personal hygiene, telephone, cable, etc.)

When a couple is required to live apart for health reasons, a review of eligibility is completed to consider the couple as two single seniors living in separate dwellings. This is done by dividing the couple's total combined income equally (50:50 split) and calculating benefits using the single senior income threshold. Seniors whose monthly income from all sources is less than the current private room rate may receive a benefit.

The Supplementary Accommodation Benefit is combined with the Alberta Seniors Benefit. You will receive one combined payment each month.

Seniors with low income not eligible for the federal Old Age Security pension, who are residents of designated supportive living and long-term care facilities, are considered for the Supplementary Accommodation Benefit.

Benefits begin

You are eligible to begin receiving benefits the month of your 65th birthday. If you are a new Alberta resident, you are eligible to begin receiving benefits on **the later of the following dates:**

- the month of your 65th birthday
- the month following three months of permanent residency in Alberta (for example if you moved to Alberta on July 15, you are eligible to receive benefits on October 1)

Retroactive benefits

Benefits are paid retroactive for up to 11 months before the date your application is received, but not earlier than your 65th birthday or three months of permanent residency in Alberta.

Benefits end

- the month after you leave Alberta to live in another province or country
- the month following a recipient's death

Dental and Optical Assistance for Seniors programs

The Dental Assistance for Seniors Program provides basic dental coverage to a maximum of \$5,000 every five years. This includes services such as examinations, scaling/root planing, fillings, extractions, root canals and dentures.

The Optical Assistance for Seniors Program provides assistance to a maximum of \$230 towards the purchase of prescription eyeglasses every three years. Eye exams for seniors are paid for by Alberta Health, once per year.

Who is eligible

The amount of coverage you receive is based on your total annual income (line 15000 of your personal tax form):

Marital status	Total household annual income	Dental benefits	Optical benefits
Single senior	\$0 to \$28,785	100% (maximum coverage)	Up to \$230
	\$28,786 to \$31,675	99 to 10% (partial coverage)	Up to \$115
	Over \$31,675	Not eligible	Not eligible
Senior couple (includes income of non-senior spouse)	\$0 to \$57,570	100% (maximum coverage)	Up to \$230
	\$57,571 to \$63,350	99 to 10% (partial coverage)	Up to \$115
	Over \$63,350	Not eligible	Not eligible

How it works

It is important to ask your service provider to submit a predetermination (cost estimate) to the Alberta Dental Service Corporation and/or Alberta Blue Cross prior to you receiving your dental and/or optical service. Your service provider can quickly check how much your coverage will pay towards your service and how much, if anything, you will have to pay. Your plan may not cover the full cost of the service or your provider may charge more than the maximum fee allowed by your plan.

Alberta Health has contracted the Alberta Dental Service Corporation to process dental claims and Alberta Blue Cross to process optical claims. The Alberta Dental Service Corporation and Alberta Blue Cross issue payments to the service provider or directly to you, depending on how the claim is submitted.

Albertans are encouraged to consult the Alberta Dental Association & College Dental Fee Guide, compare rates, and discuss treatment plans with their dental providers. For more information and helpful tips on starting a conversation with your dental provider about fees, please visit alberta.ca/dental-fees.aspx.

Seniors Home Adaptation and Repair Program

The Seniors Home Adaptation and Repair Program provides low-interest home equity loans to help senior homeowners finance home repairs, adaptations and renovations.

The program provides a maximum loan amount of \$40,000. A loan will be repaid upon the sale of the property, or earlier if the senior chooses with no penalty. Monthly repayments are not required.

Who is eligible

To qualify for a loan under this program you must meet all of the following criteria:

- be age 65 years or older
- be an Alberta resident for at least three months
- own a residential property in Alberta
- have an annual household income of \$75,000 or less
- maintain a minimum of 25 per cent equity in your home

What is covered

The Seniors Home Adaptation and Repair Program is designed to help cover the cost of home repairs, adaptations and renovations that help seniors remain safe and secure in their home. Adaptations or repairs will be considered if they improve energy efficiency or increase the physical safety, mobility, independence or health and well-being for the senior homeowner.

Interest charge

Simple interest (not compounded) will be charged once a loan is approved. The interest rate is variable and is reviewed twice a year in April and October and may be adjusted accordingly.

Applying to the program

You must complete and submit a Seniors Home Adaptation and Repair Program application form in order to apply to the program.

To request an application form or for more information on eligible items and current interest rate, visit alberta.ca/seniors-home-adaptation-repair-program.aspx or call the Alberta Supports Contact Centre toll-free at 1-877-644-9992.

Seniors Property Tax Deferral Program

The Seniors Property Tax Deferral Program allows eligible senior homeowners to defer all or part of their property taxes through a low-interest home equity loan. If you qualify, the Government of Alberta will pay your residential property taxes directly to your municipality on your behalf. You re-pay the loan, with interest, when you sell the home, or sooner if you wish. Monthly repayments are not required.

Who is eligible

To qualify for the Seniors Property Tax Deferral Program, you must meet all of the following criteria:

- be age 65 years or older
- be an Alberta resident for at least three months
- own a residential property in Alberta
- have a minimum of 25 per cent equity in your home

Only residential properties are eligible. The home must be your primary residence (that is, the place where you live most of the time).

If you owe arrears from previous years' property taxes, you can still apply to the Seniors Property Tax Deferral Program, as long as you have a minimum of 25 per cent equity in your home.

Interest charge

The Seniors Property Tax Deferral Program charges simple interest (not compounded). Interest charges start the day the program pays your residential property taxes to the municipality on your behalf and ends when the loan is paid in full. The interest rate is variable and is reviewed twice a year in April and October and may be adjusted accordingly.

Applying to the program

Complete and submit a Seniors Property Tax Deferral application form in order to apply to the program.

For an application form or for information on the current interest rate, visit alberta.ca/seniors-property-tax-deferral-program.aspx or call the Alberta Supports Contact Centre toll-free at 1-877-644-9992.
