COVID-19 INFORMATION HOW LONG TO STAY HOME FROM SCHOOL

The amount of time a student needs to stay home from school depends on the type of symptoms. For more details: <u>Isolation requirements</u>

If a student has these symptoms	What to do
 Fever Cough Shortness of breath or difficulty breathing Loss of sense of smell or taste Cone of the following symptoms: Chills (Without fever, not related to being outside in cold weather) Sore throat/painful swallowing Runny nose/congestion Feeling unwell/fatigued Nausea, vomiting and/or diarrhea Unexplained loss of appetite Muscle/joint aches Headache Conjunctivitis 	 Isolate at home for a minimum of 10 days from when symptoms started or until symptoms resolve, whichever is longer. COVID-19 testing is recommended. Can return to school before 10 days only if a COVID-19 test is negative, symptoms are gone, and the student was not a close contact of someone with COVID-19. Do not enter any long-term care settings for 10 days and until symptoms have resolved. If test results are positive, isolate at home for at least 10 days and follow instructions received from Alberta Health Services. Stay home from school and monitor for 24 hours. If after 24 hours your symptoms improve, you may return to school when you are feeling better. A COVID-19 test is not required but is available.
	 Do not enter any long-term care settings for 10 days and until symptoms have resolved. If a child has any two of these symptoms, or after 24 hours, their condition gets worse or they develop a second symptom: COVID-19 test recommended. May return to school after symptoms are gone, even without a COVID-19 test or results. Do not enter any long-term care settings for 10 days and until symptoms have resolved. If test results are positive, isolate at home for at least 10 days and follow instructions received from Alberta Health Services.
