MANUAL WHEELCHAIRS

Wheelchair Manufacturers must meet the following criteria to provide wheelchairs through the AADL program:

- Wheelchairs meet **RESNA** standards
- Manufacturer representative must be **active in the province** - available for consult
- Product on the North American market for a minimum of one year
- Distribution through AADL Vendors with facility maintained in Alberta

Spec sheets for the current AADL contract must be fully completed. These are available on AADL website at :

<http://www.health.alberta.ca/services/AADL-manual-wheelchair-specs.html>

Prices are found on spec sheets. AADL prices are based on MSRP minus vendor discount.

Sizes: Pediatric clients who require larger sizes are eligible for adult sizes.

* All sizing is in 1 inch increments unless otherwise stated
