## Questions and Answers

### What is Phase Two about?

We want to talk to you about ideas for safety in your home.

### What happened in Phase One?

You told us that safety is important and lots of people help you be safe.

You also said that being included and having good staff makes you feel safe.

### How can I participate in Phase Two?

- 1) You can go to the website and fill out a questionnaire, or print it off and mail it in.
- 2) You can be part of a talk online.
- 3) You can talk in a group and fill out the questionnaire together.

### Where can I learn more?

This website has more information  
[humanservices.alberta.ca/pddconsultation](https://humanservices.alberta.ca/pddconsultation)

### What will happen after the Phase Two?

A report about what people told us will be written and given to government.
