

Phase Two: Looking at Ideas for Safety

What happened before?

In February and March we talked to people about what makes a home safe.

You told us a lot of good things!

Everyone has a right to be safe.

We can all help with safety

What are we doing now?

We still want to help people be safe in their homes so we came up with some ideas.

Idea 1: Ways for PDD to work better

Idea 2: Ways to keep well trained staff

Idea 3: Ways to know if agencies are doing a good job

Phase Two: Looking at Ideas for Safety

Idea 4: Ways to keep homes safe

Idea 5: Other ideas to support safety

- A list to put your name on so emergency staff can help you more quickly if there is a fire or you are hurt.
- Someone to talk to if there is a problem with your services, staff or PDD program.
