INTRODUCTION

The *Alberta Public Library Directory* is produced annually by Alberta Municipal Affairs, Public Library Services Branch. At the time of printing, there are 7 library system boards and over 220 municipal and intermunicipal library boards. Together they operate over 320 public library service points in the province of Alberta.

Library System Board. Established by Minister through agreement between two or more municipalities and/or school authorities as provided for under Section 13 of the [Libraries Act](#), Statutes of Alberta Ch. L-11. A system is supported by local taxes and is governed by a board consisting of one member appointed by each participant, and additional members appointed in accordance with the [Libraries Regulation](#).

Municipal Library Board. Established by passage of a bylaw under Section 3 of the [Libraries Act](#), Statutes of Alberta Ch. L-11. The library is supported by municipal taxes and is governed by a board of not less than five and not more than ten members, all appointed by the council of the municipality. Not more than two members of council may be appointed as members of the board.

Intermunicipal Library Board. Established by Minister under Section 12.2 of the [Libraries Act](#) when up to 3 municipalities pass bylaws and enter into an agreement to create an intermunicipal board.

The next update of this directory is planned for **Summer 2022**. **Please notify the Public Library Services Branch of any related changes.**
