Dear Sir:

**Subject: Nevaeh Charette – Public Fatality Inquiry  
Response to Recommendation**

---

Please find enclosed a copy of the Honourable Judge T.W. Achtymichuk's report to the Minister of Justice and Solicitor General. This report will be publicly released on February 18, 2022.

The following recommendation made by His Honour may impact Service Alberta:

- The Alberta government continue to develop and implement policies and programs to increase high speed internet access in small or isolated communities where it is lacking, to facilitate the availability of mental health supports for youth by remote technology

I ask that you please advise the following:

1. Whether Service Alberta accepts in principle, does not accept, or has a different response to the recommendation;
2. A brief explanation of why that decision was made; and
3. If Service Alberta intends to accept the recommendation, or to implement different measures, what steps will be taken in that regard.

A response to this enquiry is not mandatory. However, be advised that any response received will be publicly released and posted on the Open Government Portal:

<https://open.alberta.ca/opendata/responses-to-public-fatality-inquiry-recommendations>.

If a response has not been received by June 20, 2022, (four months after the public release date), that information will also be made publicly available.

Thank you for your cooperation in this matter.

Yours truly,

*Abid Mavani*
