#### **PREFACE**

**Supplementary Estimates** for the General Revenue Fund are presented for five departments of the Government of Alberta. The Legislative Assembly will be asked to appropriate spending authority from the General Revenue Fund, pursuant to the *Appropriation (Supplementary Supply) Act, 2002*. These Supplementary Estimates reflect the same budgeting methodology as the 2001-02 Estimates which were tabled on April 24, 2001.

These Supplementary Estimates will authorize a \$15,513,000 increase in voted Operating Expense and Capital Investment.

#### **Definition of Terms:**

Operating Expense includes program expense (such as salaries, supplies, grants and amortization of capital assets).

Capital Investment includes the cost of construction or purchase of land, buildings, equipment, highways, bridges, dams and other capital assets.

**Adjusted Gross Amount** includes Operating Expense and Capital Investment voted in the 2001-02 Estimates, Supplementary Estimates previously authorized by the *Appropriation (Supplementary Supply) Act, 2001 (No. 2)*, encumbrances pursuant to the *Financial Administration Act, sections 24(3) and 28(4)*, and changes in expense authorized by the *Financial Administration Act, section 24(2)* for dedicated revenue initiatives.

Encumbrances are amounts charged against the 2001-02 budget as a result of actual expense in 2000-01 exceeding the 2000-01 voted authorization.
