PREFACE

Supplementary Supply Estimates for the General Revenue Fund are presented for the Auditor General and three departments of the Government of Alberta. The Legislative Assembly will be asked to appropriate spending authority from the General Revenue Fund, pursuant to the *Appropriation (Supplementary Supply) Act, 2009*. These Supplementary Supply Estimates reflect the same budgeting methodology as the 2008-09 Estimates which were tabled on April 22, 2008.

The Supplementary Supply Estimates will authorize a \$128,477,000 increase in voted Expense and Equipment / Inventory Purchases and a transfer of \$7,400,000 from Justice to Solicitor General and Public Security.

Definition of Terms:

Original Gross Amounts are the amounts voted in the 2008-09 Estimates.

Adjustments to Gross Amounts include Supplementary Supply Estimates previously authorized by the *Appropriation (Supplementary Supply) Act, 2008 (No. 2)* and changes in expense and equipment / inventory purchases authorized by section 24(2) of the *Financial Administration Act* for a credit or recovery of spending. Adjusted Gross Amounts for individual departments also reflect transfers between departments pursuant to section 5 of the *Appropriation Act, 2008* and section 4 of the *Appropriation (Supplementary Supply) Act, 2008 (No.2)*.

A Credit or Recovery of spending (expense, equipment / inventory purchases or capital investment) is shown for goods or services which are in variable demand, if their cost can be recovered from internal or external sources. During the fiscal year, Treasury Board may increase the voted estimate if spending and credits or recoveries are expected to exceed the amount budgeted, pursuant to section 24(2) of the *Financial Administration Act*. If the budgeted credits or recoveries are not realized, spending is to be reduced by an equivalent amount.

REASON FOR TRANSFER

The transfer of \$7,400,000 is requested to allocate a portion of the 2008-09 Crime Reduction and Safe Communities funding budgeted within Justice, which was to be reallocated to other departments as projects within the Crime Reduction and Safe Communities Initiative were finalized.

In 2008-09, the Government established the Safe Communities Secretariat, a partnership of nine government ministries, to coordinate and implement the recommendations of the Crime Reduction and Safe Communities Task Force. The transfer is requested to allocate a portion of the Crime Reduction and Safe Communities funding from Justice to Solicitor General and Public Security to address lower than anticipated staff vacancy rates, higher than anticipated salary settlement costs, and rising accommodation costs under the Provincial Police Service Agreement.
